Ford Chronicle Feb 27 2023

Teranesia Jan 26 2023 As a young boy, Prabir Suresh lives with his parents and sister on an otherwise uninhabited island in a remote part of the Indonesian peninsula. Prabir names it Teranesia, populating it with imaginary creatures even stranger than the evolutionarily puzzling butterflies that his parents are studying. Civil war strikes, orphaning Prabir and his sister. Eighteen years later, rumours of bizarre new species of plants and animals being discovered in the peninsula that was their childhood home draw Prabir's sister back to the island - Prabir cannot bear for her to have gone out alone and he follows, persuading a pharmaceutical researcher to take him along as a guide.

Skyward Vol. 1: My Low-G Life Nov 24 2022 One day, gravity on Earth suddenly became a fraction of what it is now. Twenty years later, humanity has adapted to its new low-gravity reality. And to Willa Fowler, who was born just after G-day, it's pretty awesome. You can fly through the air! I mean,

sure, you can also die if you jump too high. So you just don't jump too high. And maybe don't get mixed up in your dad's secret plan to bring gravity back that could get you killed. From writer JOE HENDERSON (showrunner of Fox's *Lucifer*) and artist LEE GARBETT (*Lucifer*, *Loki: Agent of Asgard*) comes the story of a young woman's journey to find her place in a world turned upside down. Collects *SKYWARD* #1-5

Mercy's Rain Aug 21 2022 When your life is built around a father's wrath, how can you trust in the love of Father God? Mercy Roller knows her name is a lie: there has never been any mercy in her young life. Raised by a twisted and abusive father who called himself the Pastor, she was abandoned by the church community that should have stood together to protect her from his evil. Her mother, consumed by her own fear and hate, won't stand her ground to save Mercy either. The Pastor has robbed Mercy of innocence and love, a husband and her child. Not a single person seems capable of standing up to the Pastor's unrestrained evil. So Mercy takes matters into her own hands. Her heart was hardened to love long before she took on the role of judge, jury, and executioner of the Pastor. She just didn't realize the retribution she thought would save her, might turn her into the very thing she hated most. Sent away by her angry and grieving mother, Mercy's path is unclear until she meets a young preacher headed to counsel a pregnant couple. Sure that her calling is to protect the family, Mercy is drawn into a different life on the other side of the mountain where she slowly discovers true righteousness has nothing evil about it—and that there might be room for her own stained and shattered soul to find shelter. . . and even love. *Mercy's Rain* is a remarkable historical novel set in 19th century Appalachia that traces the thorny path from bitterness to forgiveness and reveals the victory and strength that comes from simple faith.

Plain Roots Dec 25 2022 Taryn Clark thought she'd outgrown the need to find her birth mother. She

thought that a successful career and a comfortable life in the city were enough to be happy. Did she really need to know about the woman who had given her away? Adopted at birth, her first few years were happy. It hadn't mattered that she didn't know her heritage; she had parents who loved her and wanted her. But divorce, and then death, ripped their tiny family apart, and at the tender age of six, she entered the foster care system. Over the next dozen years, she shuffled from home to home. Finding her roots seemed an impossible dream. But dreams are resilient. An unexpected discovery awakens old yearnings of belonging to a family, of being part of something bigger than herself. Finding the brief, ambiguous note from her birth mother is enough to unfurl the ribbons of hope still binding her heart. Her quest takes her to Lancaster County, Pennsylvania and the heart of the Plain community. Aided by her unique eye color, a healthy dose of luck, and the private investigator she hires, Taryn finds her birth family easily enough, but finding the truth is another matter. In all her musings, she never imagined a scenario where her mother might be Amish. She never imagined that the fabric of her life might be a patchwork of faith and fear, stitched together with a dark family secret. Taryn is determined to trace her roots, even if it means digging in the mud to do so. Now she's caught in the quicksand of a shocking discovery and the consequences of choices made, almost forty years ago. She'll risk everything to uncover the truth and to claim the family--and the roots--she so desperately craves.
