In the wake of the revocation of Article 370, the state's plural and relatively harmonious society has come under multiple strains, with religion often informing day-to-day politics. The essays in this volume: Trace the formation of the political entity of Jammu and Kashmir and the seemingly secular politics of its three regions; Discuss the rise of militancy and resistance movements in the Kashmir Valley; Highlight the intersection between everyday life, nationalism, and resistance through a study of the literary traditions of Kashmir, contemporary resistance photography, and everyday communalism located in the changing food practices of Hindu and Muslim communities. Religion and Politics in Jammu and Kashmir will be an indispensable read for students and researchers of religion and politics, democratisation and democracy, secularism, sociology, cultural studies, and South Asian studies. Even after 73 years of division of the British India, still there is confusion and controversy on legal status of the former Princely State of Jammu and Kashmir. In light of legal documents, I have endeavoured to establish the exact legal position of Jammu and Kashmir. Apart from that the UN Security Council Resolutions on Jammu and Kashmir dispute are analysed; and why they could not be implemented. Which country refused to implement them or created hurdles. After the Simla Agreement and the Lahore Declaration, can these Resolutions play any role in resolution of the dispute. Also, I have analysed Article 370 and 35A of the Indian constitution, and how India disregarded the pledges made to the people of Jammu and Kashmir; and unilaterally changed the status of Jammu and Kashmir. In addition, I have analysed the role of Pakistan, and how they betrayed people of Jammu and Kashmir to satisfy their imperial agenda. Furthermore, how Pakistan is promoting extremism, terrorism, intolerance and religious hatred in Jammu and Kashmir; and how it is hurting people of Jammu and Kashmir on both sides of the divide. Besides that, I have analysed the impact of these changes on the people of Jammu and Kashmir, and how they have responded. What people of Jammu and Kashmir should do when they are forcibly divided, and when their motherland is under control of three nuclear countries, namely India, Pakistan and China. Kashmir is one of the longest-standing conflicts yet to be resolved by the international community. In 2000, Bill Clinton declared it the most dangerous place in the world and since then the situation continues to escalate. Positioned between India, Pakistan and China - three nuclear powers - Kashmir is the most militarized zone on the planet. Against this backdrop, the urgency to understand what Jammu and Kashmir means to those who actually belong to its territory has increased. This book

not only helps readers navigate subtleties in a complex part of the world but is the first of its kind - written for a global audience from local perspectives, which to date have been sorely lacking. In 1949, Dr Karan Singh had just turned eighteen when he was appointed regent of Jammu and Kashmir, two years after his father, Maharaja Hari Singh, signed the Instrument of Accession merging the then independent state with India. Under the mentorship of Pandit Jawaharlal Nehru, Dr Singh was at the helm of affairs in the state for eighteen years, successively as regent, Sadar-i-Riyasat and governor. This carefully conceived selection of over 200 letters exchanged between Dr Singh and Pandit Nehru sheds light on significant issues and events, including the teething problems of a fledgling country and a newly grafted state, the emerging conflicts between Pakistan and India, and the Chinese aggression of 1962. In addition to valuable insights into the political situation of the period, these letters also provide rare glimpses into the personal lives and thoughts of Pandit Nehru and Dr Singh. The memorandum submitted by Maharaja Hari Singh to President Rajendra Prasad in August 1952 is published in full, revealing how the identity and future of Kashmir were shaped. This book provides a comprehensive and up-to-date analysis of the complex conflict situation in Kashmir. Through an internal perspective, it charts the shift in the Kashmiri response towards the Centre and offers a detailed examination of the background in which separatist politics took roots in Kashmir, and the way it changed its nature in the militancy and post-militancy period. The volume shows how separatism and armed militancy, as manifest in the Valley in the late 1980s, (though augmented by external factors) have been internal responses to the changing nature of Kashmiri identity politics. It explores how the ideas central to Indian nationalist politics -- especially democracy and secularism -- echoed in Kashmir and were instrumental in dismantling the feudal structure and negotiating an autonomous space within the framework of asymmetrical federalism. On 26 January 1950, the Constitution of India came into force with a unique provision—Article 370. The special status accorded to the state of Jammu and Kashmir in the article meant that its people lived under a different set of laws while being part of the Indian Union. Alternating deftly between history and politics, A.G. Noorani examines a wide range of documents pertaining to Article 370. He incisively analyses the implications and consequences of the article for the constitutional democracy of the state and the nation. From Jammu and Kashmir's accession to India in 1947 to the various negotiations thereafter; Sheikh Abdullah's arrest to the framing of the Constitution of Jammu and Kashmir and the replacement of Sadar-i-Riyasat, this book impeccably documents the little-known constitutional history of the state.
