Another Look at Evil, Suffering And the Cross Teaching Outline + Study Guide for The Book of Job An evangelistic youth series

resource - Twelve presentations complete with small group discussion starters. Two men in the field. One is taken ...the other left. In Matthew 24, Jesus Christ reveals who the lost and the saved will be at the end of time. But what did He mean when He said that some would be taken--and some would be left? For ages prophecy teachers have offered contradictory explanations of this enigmatic passage. The popular rapture theory, for instance, says that those who are left are the unbelievers. Others say differently. But how can we know if one position or another is truly supported by Scripture? Typically, this debate centers exclusively on the context of the passage, yet in this case, context alone can be twisted any number of ways. That's why in this timely study, theologian Stephen Bohr approaches the issue by walking through both the Old and New Testaments to examine how the people in Jesus' time and throughout the Bible would have understood these terms. Step by step, he builds an ironclad case that will carry you to a carefully researched conclusion that you can trust--giving you a powerful foundation that will help open up Bible prophecy to you like never before. No driver wins a championship

on their own. One man's extraordinary journey through the twentieth century and how he learned to read at age 98 "Things will be all right. People need to hear that. Life is good, just as it is. There isn't anything I would change about my life."—George Dawson In this remarkable book, George Dawson, a slave's grandson who learned to read at age 98 and lived to the age of 103, reflects on his life and shares valuable lessons in living, as well as a fresh, firsthand view of America during the entire sweep of the twentieth century. Richard Glaubman captures Dawson's irresistible voice and view of the world, offering insights into humanity, history, hardships, and happiness. From segregation and civil rights, to the wars and the presidents, to defining moments in history, George Dawson's description and assessment of the last century inspires readers with the message that has sustained him through it all: "Life is so good. I do believe it's getting better." WINNER OF THE CHRISTOPHER AWARD "A remarkable autobiography . . . the feel-good story of the year."—The Christian Science Monitor "A testament to the power of perseverance."—USA Today "Life Is So Good is about character, soul and

*spirit. . . . The pride in standing his ground is matched—maybe even exceeded—by the accomplishment of [George Dawson's] hard-won education.”—The Washington Post “Eloquent . . . engrossing . . . an astonishing and unforgettable memoir.”—Publishers Weekly*

*Look for special features inside. Join the Circle for author chats and more. Celebrate the release of *A Beautiful Day in the Neighborhood* starring Tom Hanks with an inside look at Mister Rogers' spiritual legacy. For more than 30 years, Fred Rogers was the kindly neighbor of children worldwide. Why were kids drawn to him? Mining personal interviews and correspondence, this book goes beyond Rogers's gentle manner and signature red sweater to reveal the deep faith that sustained him in his many roles—television personality, educator, philosopher, and minister. Tom Brokaw of NBC Nightly News once said of the American icon Fred Rogers, "Mister Rogers was an ordained minister, but he never talked about God on his program. He didn't need to." Eight years before his death, Fred Rogers met author, educator, and speaker Amy Hollingsworth. What started as a television interview turned into a wonderful friendship spanning dozens of letters*

detailing the driving force behind this gentle man of extraordinary influence. This special book is a treat for fans everywhere, containing: An intimate portrait of the real Mister Rogers An exploration of the beloved star's deep faith journey and its lasting impact Personal interviews and letters The Simple Faith of Mr. Rogers focuses on Mr. Rogers' spiritual legacy, but it is much more than that. It shows us a man who, to paraphrase the words of St. Francis of Assisi, "preached the gospel at all times; when necessary, he used words." Tired of finding yourself flat-footed and intimidated in conversations? Want to increase your confidence and skill in discussions with family, friends, and coworkers? Gregory Koukl offers practical strategies to help you stay in the driver's seat as you maneuver comfortably and graciously in any conversation about your Christian convictions. Follows the story of Lass, who is transformed from a believed-worthless and untrainable animal into a valuable sheepdog by a man's love, explaining how Lass's story reflects the transforming love of God. The contemporary search for the feminine face of God requires a re-examination of the relationship of Christianity to the pagan

world in which it was born. This study inquires into extra-biblical sources of Marian piety, belief and doctrine. This publication has also been published in hardback, please [click here](#) for details. "Is the highest level of relational maturity in the universe one of power and love?"--Back cover. When Brian McLaren began offering an alternative vision of Christian faith and life in books such as *A New Kind of Christian* and *A Generous Orthodoxy*, he ignited a firestorm of praise and condemnation that continues to spread across the religious landscape. To some religious conservatives, McLaren is a dangerous rebel without a doctrinally-correct cause. Some fundamentalist websites have even claimed he's in league with the devil and have consigned him to flames. To others though, Brian is a fresh voice, a welcome antidote to the staleness, superficiality, and negativity of the religious status quo. A wide array of people from Evangelical, Catholic, and Mainline Protestant backgrounds claim that through his books they have begun to rediscover the faith they'd lost or rejected. And around the world, many readers say that he has helped them find-for the first time in their lives-

a faith that makes sense and rings true. For many, he articulates the promise of what is being called "emerging Christianity." In *The Secret Message of Jesus* you'll find what's at the center of Brian's critique of conventional Christianity, and what's at the heart of his expanding vision. In the process, you'll meet a Jesus who may be altogether new to you, a Jesus who is... Not the crusading conqueror of religious broadcasting; Not the religious mascot of partisan religion; Not heaven's ticket-checker, whose words have been commandeered by the church to include and exclude, judge and stigmatize, pacify and domesticate. McLaren invites you to discover afresh the transforming message of Jesus—an open invitation to radical change, an enlightening revelation that exposes sham and ignites hope, an epic story that is good news for everyone, whatever their gender, race, class, politics, or religion. "Pastor and best-selling author McLaren revisits the gospel material from a fresh—and at times radical—perspective . . . He does an excellent job of capturing Jesus' quiet, revolutionary style." --Publishers Weekly (starred review) "Here McLaren shares his own ferocious journey in pondering the

teachings and actions of Jesus. It is McLaren's lack of salesmanship or agenda that creates a refreshing picture of the man from Galilee who changed history." --Donald Miller, Author of *Blue Like Jazz* "In this critical book, Brian challenges us to ask what it would mean to truly live the message of Jesus today, and thus to risk turning everything upside down." --Jim Wallis, Author of *God's Politics* and editor of *Sojourners* "Compelling, crucial and liberating: a book for those who seek to experience the blessed heat of Christianity at its source." --Anne Rice, Author of *Christ the Lord: Out of Egypt* The Gold Medallion Award-winning book that presents a persuasive case for Christ as the only way to God in light of contemporary religious pluralism. A great majority of social commentators attempting to define modern Western culture land on a common characteristic: pluralism. This isn't unique to secular culture. Many modern approaches to Christian hermeneutics, or biblical interpretation, have given credence to contemporary pluralism. What began as a refreshing restraint and humility in modern theology has fallen more and more into irresoluteness. It's no secret that the

contemporary challenges to Christianity are complex and serious. Yet, far from simple fear-mongering, or cultural warmongering, *The Gagging of God* takes a hard look at the background and intricacy—of pluralism, postmodernity, and hermeneutics—and equips thoughtful Christians to have intelligent, culturally sensitive, and passionate fidelity to the gospel of Jesus Christ. In his contemplative, even-handed approach, Carson provides a structure of Christian thought capable of facing the philosophies of today and piercing their surface. It invites Christians to grapple responsibly with urgent questions of biblically-grounded theology, spirituality, and the defining lines of Christianity, along with its range of challenges from without and within. *The Gagging of God* offers an in-depth look at the big picture, shows how the many ramifications of pluralism are all parts of a whole, and provides a systematic Christian response. Can you lose your salvation? All believers have wrestled with this question at some point in their spiritual walks. So what answers does God provide to challenging questions like: Am I really saved? Am I going to heaven? How can I know for sure? Renowned pastor and author John MacArthur

believes every Christian should enjoy the reality and security of being saved without a doubt. Drawing from a background rich in Bible study and teaching, John examines key scriptures, tackles tough questions, and sheds light on the true nature of salvation. Throughout, you'll be encouraged to embrace the perfect grace found in Jesus Christ. *Saved without a Doubt* includes a guide for both personal and group study, which features discovery questions, suggestions for prayer, and activities, all designed to connect life-changing truths with everyday living. Why is Christ called "the Son of God"? Discover an answer so simple you'll wonder why you never saw it before, and so beautiful it'll take your breath away. What does the Bible mean when it calls Jesus "the Son of God"? Oh, no! Is this gonna be one those boring, hairsplitting theological exercises? Actually, no. In fact, if you will take this little journey with me to its end, I assure you the rewards will be rich. You may even find yourself deeply moved by the beauty of God's character and awestruck by the utter genius of the biblical narrative. Even if you find the above question boring at first glance, I promise you our time together will not be boring in

the least. A Feature-length Documentary Hosted by Doug Batchelor The World's Most Mysterious and Controversial Book Is Now Unveiled! No other book in the Bible has been more misunderstood or misrepresented than Revelation. For ages, its mysterious symbols and ominous predictions have perplexed millions and sparked wild speculation. But now, that all changes with Revelation: The Bride, The Beast & Babylon! Going to the very heart of the Bible's most challenging book, this 90-minute documentary decodes the visions of Revelation 12 and 17 for everyone to understand. Journeying from the birth of Christ through the Christian era, this amazing video pulls aside the veil of hidden history to reveal the rise of Babylon, the persecution of the bride of Christ, and the real-world identity of the beast. Educational and inspiring, Revelation delivers the keys to understanding the epic conflict between Christ and Satan and what it means for your life today. Featuring ... Compelling interviews with respected theologians and historians Stunning footage from historic locations throughout Europe Vivid reenactments of biblical visions and events. Subtitled in: English, Spanish, Portuguese, German, French, Russian, Hindi,

*9-781-58019-581-2* *If God is all powerful and entirely good and loving, why is there so much evil in the world? Based on a close canonical reading of Scripture, this book offers a new approach to the challenge of reconciling the Christian confession of a loving God with the realities of suffering and evil. John Peckham offers a constructive proposal for a theodicy of love that upholds both the sovereignty of God and human freedom, showing that Scripture points toward a framework for thinking about God's love in relation to the world.*

*Building and Sustaining a Thriving Leadership Culture*  
*Essential to every healthy church is a biblical model of leadership. In the New Testament, church leadership is built around a team of elders working together, each bringing his own unique skills and gifts to the cause of shepherding the flock God entrusted to them. However, in many churches today the principle of plurality in leadership is often misunderstood, mistakenly applied, or completely ignored. Dave Harvey encourages church leaders to*

prioritize plurality for the surprising ways that it helps churches to flourish. This book not only builds a compelling case for churches to adopt and maintain biblical elder pluralities guided by solid leadership but also supplies practical tools to help elders work together for transformation. Download the free study guide. Brimming with anecdotal gems from his vast experience in evangelism and gleaned from his wide reading, H.M.S. Richard's 'Feed My Sheep' has become a treasured manual on preaching for several generations of pastors. The counsel seems strikingly contemporary, while the stories seem timeless. We are at war and you've been lied to ? the world is not as it appears. Much of reality has been hidden, obscured by millennia of lies, by constant conflict and time is short. This war, which began so long ago, didn't start with us, but its going to end with us, right here, on earth and very soon. We were duped, drawn in on false pretenses, and now our entire planet is under siege. The enemy doesn't want you to know what we have discovered. He'll do anything to keep you in the dark until its too late. But don't be scared, there's still time. The Journal of The Watcher is the key. It contains the secret

back-story events of the war, recorded by one of God's Celestial Watchers. It's easy to understand and has powerful images documenting what the Watcher observed. If you've been confused don't worry. The Journal holds the secrets to clear up the confusion. By anchoring its behind the scenes insights with human history as recorded in Scripture, it makes comprehension easy and will prepare your mind for the great final battle that will end the war. Get a copy soon, the war is almost over! Suffering is a deeply personal problem. Why is this happening to me? Guiding readers through the seven most significant theodicies, Richard Rice uses theory and personal stories to help each of us form a response to suffering that is both intellectually satisfying and personally authentic. This collection of 700 quotes includes the last words of commoners, atheists, poets, and politicians along with noted Christians and martyrs. Ready reference source for the pastor or public speaker. In *The Lost Meaning of the Seventh Day*, Sigve K. Tonstad recovers the profound and foundational understanding of God that can be experienced in the seventh day. He shows that Scripture has consistently

asserted that the Sabbath of Creation is the Sabbath of the whole story of how God makes right what has gone wrong in the world. Tonstad argues that the seventh day is the symbol of God's faithfulness precisely when God's presence seems to be in doubt. He demonstrates how God, through the seventh day, seeks the benefit of all creation. Inevitably, this leads to an investigation of how this universal symbol became obscured. This sweeping work of biblical theology and historical analysis traces the seventh day as it is woven throughout Scripture and the history of Christianity. Its twenty-seven chapters consider, among other things, the relationship of the seventh day to freedom, to social conscience, to the "greatest commandment," and to the enigmatic "rest that remains." Tonstad engages the move away from the seventh day in early Christian history, the mindset in medieval Christianity, and the sobering long-term implications leading all the way to the Holocaust and the ecological crises in our time. *The Lost Meaning of the Seventh Day* will engage, illuminate, provoke, and ultimately inspire readers who enjoy a serious work presented in a style that is "luminous" and a "delight to read."

"Why God?" Everyday this question is uttered in sorrow, bewilderment, or anger. This cry is the problem of suffering. It is also known as the problem of evil. It asks why a good, all-powerful God allows evil and pain. Theodicy is the name of the theological responses that seek to defend God against charges of unfairness. Traditional theodicies have been accused of intensifying the problem by claiming that God is justified in allowing evil because he uses it to bring about a greater good. This greater-good approach has been criticized in more recent times. It seems to uncomfortably align God and evil too closely together. Does God need evil in order to bring good? This study explores an alternative stream of theodicy found in the idea of cosmic warfare. In this theodicy God fights evil in its moral, physical, spiritual, and supernatural forms. This book explores the world of theodicy and its cosmic warfare forms. It navigates the theological and ethical minefields involved. Building on the idea that God is in the midst of a great cosmic controversy, it seeks to further the conversation and articulates a new alternative "redeemed good defense."

*Apologetics For A New Generation* was written

for the chaotic times we live in. Ideas of justice, morality, mercy, existence, and many other ideas of society are being hotly debated. How does God, the Bible, and truth come into all of this? Apologetics has the answers we need for today. Do believers have meaningful ways to engage others? Anil Kanda shares insightful and practical ways that apologetics can be used to meet today's challenges. Although raised in the Indian faith traditions, Anil was transformed by an encounter with the powerful truths of God's Word. You'll enjoy this concise, practical, and provocative book on understanding and sharing the big ideas of God. Topics include: Why do we need apologetics? Atheism: Do we really need God? God at War: The problem of evil in our world Why is there genocide in the Old Testament? How does God deal with other nations not mentioned in the Bible? \*Anil Kanda's testimony And much more? This user-friendly guide by a noted biblical scholar explores three crucial questions that often pose difficulty for those seeking to understand the doctrine of the Trinity. In his sequel to Ignorance (Oxford University Press, 2012), Stuart Firestein shows us that the scientific enterprise is riddled with mistakes and errors - and that

*this is a good thing! Failure: Why Science Is So Successful delves into the origins of scientific research as a process that relies upon trial and error, one which inevitably results in a hefty dose of failure. Does it burn forever someplace in the middle of the earth with the damned being cooked by the devil? Hell, every religion seems to have some version of it. Some beliefs make God and Satan out to be equal sovereigns reigning over their respective domains, heaven and hell. Other beliefs make hell a place of eternal unhappiness. Many people have turned away from belief in God and many others are confused about His loving character all because of a misunderstanding of Hell. Find out what the Bible really says about hell and put the confusion to rest. God is a God of love, mercy, and justice, and a correct understanding of Hell is essential to understanding God's plan to get rid of sin forever. Publisher description: The politically incorrect, and yet bold, comparison of the five great world religions - Hinduism, Islam, Christianity, Buddhism and Judaism - is replete with citations from the various scriptures, sufficiently vindicating the positions reached; and making the final conclusion regarding the*
