Finding Jupiter Mar 08 2022 Sparks fly when Orion and Ray meet for the first time at a roller rink in Memphis. But these star-crossed souls have a past filled with secrets that threaten to tear them apart before their love story even begins. Found poetry, grief, and fate collide in this powerful debut. Ray: Just once I'd like my birthday to be about me, and not the day my father died. I want to be Ray Jr., the tall girl from Memphis with the poetry beats and the braids that stay poppin'. And when I meet Orion at the skating rink, that's exactly who I am. He pulls my hand, and instead of being defined by my past, he races me toward my future. Orion: When I dive into the pool, it's just me and my heartbeat. There's no dad, no dead sister, and no distracting noises. But I can't hold my breath forever. And since I met Ray, I don't want to. The closer we get, though, the more I see I'm not the only one caught in her wake. With a lyrical blend of found poetry and poignant prose, this stunning debut captures young Black love and a decades-old family secret that may shatter a romance that feels written in the stars.

**Empathy Works** Dec 13 2019 "In empathy works, work futurist, international keynote speaker, instructor, workforce consultant, and host of the popular Transforming Work podcast Sophie Wade reveals why empathy is an essential corporate value, mindset, and skill for understanding and engaging customers and employees to achieve sustainable growth. As we adapt for increased digitalization and flexible work environments, Wade explains how to integrate empathy throughout an organization: into the culture, leadership, and

teamwork. Sharing data and insights from brain science and organizational psychology, Wade shares real situations and stories from around the world to guide you along the way."--

**Rising Above the Flames** Jul 12 2022 Julie Rowe first gained national attention in 2014 with the publication of her books *A Greater Tomorrow* and *The Time is Now*. In those books she told of her near-death experience when she was taken to the Spirit World and was shown future world events. Julie also appeared on several radio talk shows to spread her message of the need to prepare for troubled times. The social media firestorm that followed was very intense, as supporters defended her and naysayers ridiculed her. Through it all, Julie stood by her story. Now Julie is ready to share more about her life. In this book, she explains that she has been a visionary person since childhood. She has also been through many trials that have shaped who she is, and why she knows her message is inspired from heaven. Julie Rowe received her Bachelor of Science degree from Brigham Young University in 1999, and her teaching certificate from the University of Saint Mary in 2010. She and her husband Jeff have three children and live in the

**Sam Walton** Dec 05 2021 Meet a genuine American folk hero cut from the homespun cloth of America's heartland: Sam Walton, who parlayed a single dime store in a hardscrabble cotton town into Wal-Mart, the largest retailer in the world. The undisputed merchant king of the late twentieth century, Sam never lost the common touch. Here, finally, inimitable words. Genuinely modest, but always sure of his ambitions and achievements. Sam shares his thinking in a candid, straight-from-the-shoulder style. In a story rich with anecdotes and the "rules of the road" of both Main Street and Wall Street, Sam Walton chronicles the inspiration, heart, and optimism that propelled him to lasso the American Dream.

**Change Is Coming** Apr 09 2022 Hector Sosa Jr. was born in Puerto Rico. He began having visions of future events as a young boy, a gift he inherited from his mother. At age 13 he and his family joined the LDS Church, and the visions he had been receiving began to make sense as he learned more about the prophecies and doctrines taught by church leaders. Among the events he has foreseen are: ¢¢ Earthquakes in Utah ¢¢ A national financial collapse ¢¢ Plagues and sicknesses ¢¢ Concentration camps on U.S. soil ¢¢ An invasion from foreign troops ¢¢ The Saints prevail against the enemy Hector's visions are specifically meant to serve as warnings to his own family, but he hopes that by sharing what he has seen, it will help others prepare for the challenging times that will soon come upon the world.

The Time Is Now Sep 14 2022 Julie Rowe's first book, *A Greater Tomorrow*, told of her near-death experience in 2004. During her visit to the Spirit World, she was shown a panorama of the Earth's history and future. In this new volume, Julie focuses on giving additional details about the future events she was shown and how we can best prepare for them.

*A Tree Grows in Brooklyn* Aug 01 2021 The beloved American classic about a young girl's coming-of-age at the turn of the century, Betty Smith's *A Tree Grows in Brooklyn* is a poignant and moving tale filled with compassion and cruelty, laughter and heartache, crowded with life and people and incident. The story of young, sensitive, and idealistic Francie Nolan and her bittersweet formative

years in the slums of Williamsburg has enchanted and inspired millions of readers for more than sixty years. By turns overwhelming, sublime, heartbreaking, and uplifting, the daily experiences of the unforgettable Nolans are raw with honesty and tenderly threaded with family connectedness -- in a work of literary art that brilliantly captures a unique time and place as well as incredibly rich moments of universal experience.

*A Greater Tomorrow* Feb 19 2023 In 2004, Julie Rowe was a happy wife and mother. Then her health took a turn for the worse. While in a weakened state, her spirit left her body and entered the Spirit World. An ancestor named John greeted her and showed her many wonderful places there. He also allowed her to read from the Book of Life, which showed her a panorama of the earth's past, present, and future.

**Quicunque Vult** Apr 28 2021 A Victorian lesbian romance. *Quicunque vult*: A forward girl, ready to oblige every man that shall ask her. (Grose's Dictionary of the Vulgar Tongue, 1811) A feisty Irish prostitute with a murky past finds herself stuck in London's East End in the year of the Ripper. Reeling from a series of bad choices and even worse luck, Mary Jane needs to quit her immoral life. She's approaching thirty years of age, which means her best days are coming to an end, and she's running out of time to better herself. Ever cognizant of the narrowing window of opportunity before her, the openly sapphic and increasingly reluctant harlot sets her mind to escape from Whitechapel, her wishy-washy plans spurred on all the more when she meets Eva: an inexperienced young flower girl who falls keenly into her embrace and her bed. Determined to shield the poorly educated and impecunious sixteen-year-old against the corrupting influence of men, and the desperate misery of poverty that drives so many naive slum girls to the streets, Mary Jane will do whatever it takes to preserve Eva's innocence, and to keep the wolf from baying at their door. Even if it kills her. \*\*\*Contains graphic & explicit language\*\*\*"

Terrible Revolution Feb 24 2021 "Nineteenth-century Latter-day Saints looked forward to apocalyptic events that would unseat corrupt governments across the globe but would particularly decimate the tyrannical government of the United States. Mormons turned to prophecies of divine deliverance by way of plagues, natural disasters, foreign invasions, American Indian raids, slave uprisings, or civil war unleashed on American cities and American people ... Blythe examines apocalypticism across the history of the Church of Jesus Christ of Latter-day Saints particularly as it would take shape in localized and personalized forms in the writings and visions of ordinary Latter-day Saints outside of the Church's leadership"--

**Homo Deus** Jun 30 2021 Official U.S. edition with full color illustrations throughout. NEW YORK TIMES BESTSELLER Yuval Noah Harari, author of the critically-acclaimed New York Times bestseller and international phenomenon *Sapiens*, returns with an equally original, compelling, and provocative book, turning his focus toward humanity's future, and our quest to upgrade humans into gods. Over the past century humankind has managed to do the impossible and rein in famine, plague, and war. This may seem hard to accept, but, as Harari explains in his trademark style—thorough, yet riveting—famine, plague and war have been transformed from

incomprehensible and uncontrollable forces of nature into manageable challenges. For the first time ever, more people die from eating too much than from eating too little; more people die from old age than from infectious diseases; and more people commit suicide than are killed by soldiers, terrorists and criminals put together. The average American is a thousand times more likely to die from bingeing at McDonalds than from being blown up by Al Qaeda. What then will replace famine, plague, and war at the top of the human agenda? As the self-made gods of planet earth, what destinies will we set ourselves, and which quests will we undertake? *Homo Deus* explores the projects, dreams and nightmares that will shape the twenty-first century—from overcoming death to creating artificial life. It asks the fundamental questions: Where do we go from here? And how will we protect this fragile world from our own destructive powers? This is the next stage of evolution. This is *Homo Deus*. With the same insight and clarity that made *Sapiens* an international hit and a New York Times bestseller, Harari maps out our future.

**Corcoran Gallery of Art** Jan 14 2020 This authoritative catalogue of the Corcoran Gallery of Art's renowned collection of pre-1945 American paintings will greatly enhance scholarly and public understanding of one of the finest and most important collections of historic American art in the world. Then one morning he was gone. Leaving Baylor on her own to battle the streets and more importantly life in the Kings all by herself. "I will love you, even if I never see you again."

From Tragedy to Destiny May 10 2022 In 2004, Julie Rowe was a happy wife and mother. Then her health took a turn for the worse. While in a weakened state, her spirit left her body and entered the Spirit World. An ancestor named John greeted her there and showed her many wonderful places. He also allowed Julie to read from the Book of Life, which showed her a panorama of the earth's past, present, and future. These scenes included the Savior's mortal life, along with his crucifixion and resurrection. During her time in the Spirit World, Julie met several of the Founding Fathers of the United States. They expressed their worries about the country's eroding moral fabric, and she promised to share their counsel and warnings when she returned to earth. Julie was then shown upcoming world events that will be both tragic and glorious. Earthquakes, famines, plagues, and wars are coming to the United States, but Julie saw how God is preparing places of safety to protect righteous people from the coming calamities. She was shown t

*Viable Threat* Aug 13 2022 Special Forces soldier and medic Walter River would give anything to snatch more than a few seconds of down time to see if he can rattle the no-nonsense and incredibly hot Dr. Lloyd he's protecting, but dodging explosions, snipers, and student radicals who've unleashed a lethal bio-engineered microorganism have made that almost impossible. Maybe he'll get a chance—if he can figure out how to keep them both alive. CDC microbiologist Ava Lloyd races to find a cure for a bio-terrorism

organism sweeping El Paso. The few stolen moments with her very hunky bodyguard River have been explosive, but no matter how alluring he is, she can't afford to get distracted. The clock is ticking, people are dying by the hundreds, and once this crisis is solved, they'll both be off on their next assignment, thousands of miles apart. Each book in the Outbreak Task Force series is STANDALONE:

A Greater Tomorrow Oct 15 2022 In 2004, Julie Rowe was a happy wife and mother. Then her health took a turn for the worse. While in a weakened state, her spirit left her body and entered the Spirit World. An ancestor named John greeted her and showed her many wonderful places there. He also allowed her to read from the Book of Life, which showed her a panorama of the earth's past, present, and future. Julie saw the lives of many historical figures, such as Adam and Eve, Enoch, Noah, and Moses. She witnessed the Savior's mortal life, including his crucifixion and resurrection. She also saw the restoration of the Church of Jesus Christ through the prophet Joseph Smith, and key events that have led to the Church's growth. Then Julie was shown upcoming world events that will be both tragic and glorious. She saw earthquakes, tsunamis, famines, plagues, and wars, but she also witnessed how the Lord is watching over His people and is preparing places of refuge to protect them from the coming calamities. Julie was filled with joy as she saw the Saints establish the New Jerusalem and other Cities of Light in preparation for the Savior's Second Coming. Prior to her return, she was told that at a future time she would be expected to tell others about her experience. That time has come.

*Reclaiming Liberty* Sep 21 2020 After a long winter, the Coalition leaders have gathered in Denver to complete their invasion of the United States and establish a new society. However, the Coalition leaders are unaware that the Elders of Israel are fully prepared to defend their lands and liberty. As the snow melts, these righteous soldiers begin their journey to Denver to battle the Coalition forces. The fate of the nation hangs in the balance. Meanwhile, thousands of citizens have fled the West Coast and are making their way inland. Members of the Foster and Shaw families help these people find hope by guiding them to Places of Refuge that will someday become Cities of Light. As the Times of Turmoil come to a close, hearts are softened and the veil is thin as the Saints prepare to fully establish Zion. *Reclaiming Liberty*, the fourth and concluding volume in the Times of Turmoil series, gives readers an exciting close-up look at the prophesied events that must occur before the Savior's Second Coming. The Evolution of the Spirit of Mankind: The Eighty-Second Regime of Light Workers Feb 07 2022 "There are many changes coming, and you must be prepared. There is nothing that you need to fear. There is nothing you have ever had; there is nothing you will ever lose." So said the Eighty-Second Regime of Light Workers, a collective of four different personalities from the spirit world who communicated this book through Julie MacDonald and dictated to Yves Nazon. Revealing exciting truths about the nature of the soul, the Eighty-Second Regime of Light Workers present an empowering way to view consciousness changes in this new era; and are a powerful wake-up call to our consumerist society. According to this group of beings, the information contained in this book is meant to meet each reader wherever they are in their own spiritual development, be they novice or experienced and help to bring them to the next step of their own growth, unfoldment, evolution, and subsequently, to the next step of evolution for human consciousness itself.

"Reverend Julie MacDonald is a medium by birth, a professional psychic, and a spiritual activist at the cutting edge of consciousness. What comes through her is radical, credible, and utterly compassionate to the plight of humanity. The gift of this message is a measure of the depth of her connection. It is a monumental synthesis of our relationship with who we are: spirits in search of ourselves. In this book are the blueprints of what it takes to get back to that zero point module that is ourselves, and bow to this message with great reverence." - Malidoma P. Some, Ph.D., Dagara Elder, author of "Of Water and the Spirit," "The Healing Wisdom of Africa," and "Ritual: Power, Healing and Community" "This is a straight forward, no nonsense guide to understanding the essential spiritual principles that we modern folks have lost sight of. It calls attention to the damage that we humans have inflicted on each other and on the planet through our disconnection with the natural world and points the way toward a higher vision of living - a conscious and conscientious reconnection with All That Is. The wisdom offered is just what we need to heed in order to heal." - Mama Donna Henes, author of "Celestially Auspicious Occasions: Seasons, Cycles and Celebrations" and "Queen of My Self" "

**Transforming the Workforce for Children Birth Through Age 8** May 18 2020 Children are already learning at birth, and they develop and learn at a rapid pace in their early years. This provides a critical foundation for lifelong progress, and the adults who provide for the care and the education of young children bear a great responsibility for their health, development, and learning. Despite the fact that they share the same objective - to nurture young children and secure their future success - the various practitioners who contribute to the care and the education of children from birth through age 8 are not acknowledged as a workforce unified by the common knowledge and competencies needed to do their jobs well. Transforming the Workforce for Children Birth Through Age 8 explores the science of child development, particularly looking at implications for the professionals who work with children. This report examines the current capacities and practices of the workforce, the settings in which they work, the policies and infrastructure that set qualifications and provide professional learning, and the government agencies and other funders who support and oversee these systems. This book then makes recommendations to improve the quality of professional practice and the practice environment for care and education professionals. These detailed recommendations create a blueprint for action that builds on a unifying foundation of child

development and early learning, shared knowledge and competencies for care and education professionals, and principles for effective professional learning. Young children thrive and learn best when they have secure, positive relationships with adults who are knowledgeable about how to support their development and learning and are responsive to their individual progress. Transforming the Workforce for Children Birth Through Age 8 offers guidance on system changes to improve the quality of professional practice, specific actions to improve professional learning systems and workforce development, and research to continue to build the knowledge base in ways that will directly advance and inform future actions. The recommendations of this book provide an opportunity to improve the quality of the care and the education that children receive, and ultimately improve outcomes for children.

**Two Moons** Oct 11 2019

**Multiple Probations** May 30 2021 With the exception of Christianity, the major religions of the world have a peculiar doctrine in common. Though it goes by many names, the belief in Multiple Mortal Probations is held by most of earth's inhabitants, so why isn't it taught among Christianity? Traces of the doctrine can be found in the Bible, and other precious remnants of it are preserved in biblical apocryphal texts. Was the concept of multiple lives once taught among biblical peoples, but lost through the doctrinal biases of the members of the Second Council of Constantinople? If so, could this be the single potentially most unifying doctrine among all the world religions? Authors of this book explore these and other related questions providing an array of historical sources in this unique narrative.

*The Steal* Mar 16 2020 They say diamonds are a girl's best friend—until they're stolen. Ania Thorne is devoted to her jewelry company. The daughter of one of the world's most famous jewelers, she arrives in Cannes with a stunning new collection. But a shocking theft by the notorious thief known as the Leopard throws her into upheaval—and plunges her on an unexpected hunt that challenges everything she believes. **Agribusiness Management** Oct 23 2020 Today's food and agribusiness managers operate in a rapidly changing, highly volatile,

international, high technology, consumer-focused world. This new edition of Agribusiness Management was written to help prepare students and managers for a successful career in this new world of food and fiber production and marketing. Agribusiness Management uses four specific approaches to help readers develop and enhance their capabilities as agribusiness managers. First, this edition of the book offers a contemporary focus that reflects the issues that agribusiness managers face both today and are likely to face tomorrow. Specifically, food sector firms and larger agribusiness firms receive more attention in this edition, reflecting their increasing importance as employers of food and agribusiness program graduates. Second, the book presents conceptual material in a pragmatic way with illustrations and examples that will help the reader understand how a specific concept works in practice. Third, the book has a decision-making emphasis, providing contemporary tools that readers will find useful when making decisions in the contemporary business environment. Finally, Agribusiness Management offers a pertinent set of discussion questions and case studies that will allow the reader to apply the material covered in real-world situations. The bottom-line on this fourth edition of Agribusiness Management: this book is contemporary, solid on the fundamentals, practical and applicable. It provides students and adult learners with an essential understanding of what it takes to be a successful agribusiness manager in today's rapidly evolving, highly unpredictable marketplace.

**Icebound** Apr 16 2020 Dr. Emilie Saunderson is driven to finish her late husband's research. Her quest brings her to Antarctica, where she hopes to find a measure of peace in the isolated and icy wilderness. It's the last place on earth she expects to be given a second chance at love. Tom Wolinski loves his work at the bottom of the world. Damaged by his dark past, he has vowed never to get close to anyone—a promise that's easy to keep in a place with no permanent residents. That is, until Emilie arrives, and he's irresistibly drawn to her warmth and inner strength. Emilie has no desire to get involved with another adventurer, and Tom has made it clear he's not interested in putting down roots. But as they work together to survive in the harshest of climates, they turn to one another for comfort. Is the heat between them enough to melt the ice around their hearts, and bind them together forever? 50,000 words "In ICEBOUND, Julie Rowe blends the perfect cocktail of action and romance. Get ready for a rip-roarin' read!" —Brenda Novak, New York Times best selling author.

*This Is Not a Valentine* Aug 21 2020 This book is not a valentine. It doesn't have lacey edges or sugary hearts. But it is full of lucky rocks, secret hiding spots, and gumball machine treasures. This is a book about waiting in line and wishing for cinnamon buns. About recognizing that if you care so much about someone not thinking you care, maybe you really do. But wait— isn't that exactly what love is about? Maybe this book is sort of a valentine after all. A testament to handmade, wacky, bashful, honest love—sure to win over the hearts of all readers—this offering from debut picture book author Carter Higgins and children's book veteran Lucy Ruth Cummins is the perfect gift to celebrate every relationship, from parent to child, sibling to sibling, partner to partner, crush to crush. Plus, this is the fixed format version, which looks almost identical to the print edition.

**The Del Rey Book of Science Fiction and Fantasy** Jun 18 2020 “Ellen Datlow is the queen of anthology editors in America.”—Peter Straub With original stories by Jeffrey Ford, Pat Cadigan, Elizabeth Bear, Margo Lanagan, and others From Del Rey Books and award-

winning editor Ellen Datlow, two of the most respected names in science fiction and fantasy, comes a collection of fifteen all-new short stories, plus a science fiction novella, that could count as a virtual “best of the year” anthology. Here you will find slyly twisted alternate histories, fractured fairy tales, topical science fiction, and edgy urban fantasy. In “Daltharee,” World Fantasy Award–winning author Jeffrey Ford spins a chilling tale of a city in a bottle—and the demented genius who put it there. In “Sonny Liston Takes the Fall,” John W. Campbell Award–winning author Elizabeth Bear pens a poignant and eerie requiem for the heavyweight forever associated with his controversial loss to Cassius Clay. From hot new writer Margo Lanagan comes “The Goosle,” a dark, astonishing take on Hansel and Gretel. In the novella “Prisoners of the Action,” Paul McAuley and Kim Newman take a trip down a rabbit hole that leads to a Guantanamo-like prison whose inmates are not just illegal but extraterrestrial. Many of the writers you’ll recognize. Others you may not. But one thing is certain: These stars of today and tomorrow demonstrate that the field of speculative fiction is not only alive and well—it’s better than ever. PLUS TWELVE MORE STORIES “The Elephant Ironclads” by Jason Stoddard “Ardent Clouds” by Lucy Sussex “Gather” by Christopher Rowe “North American Lake Monsters” by Nathan Ballingrud “All Washed Up While Looking for a Better World” by Carol Emshwiller “Special Economics” by Maureen F. McHugh “Aka St. Mark’s Place” by Richard Bowes “Shira” by Lavie Tidhar “The Passion of Azazel” by Barry N. Malzberg “The Lagerstätte” by Laird Barron “Gladiolus Exposed” by Anna Tambour “Jimmy” by Pat Cadigan

You Lucky Dog Nov 23 2020 An accidental dog swap unleashes an unexpected love match in this new romantic comedy from New York Times bestselling author Julia London. Carly Kennedy's life is in a spiral. She is drowning in work, her divorced parents are going through their midlife crises, and somehow Carly's sister convinces her to foster Baxter--a basset hound rescue with a bad case of the blues. When Carly comes home late from work one day to discover that the dog walker has accidentally switched out Baxter for another perkier, friendlier basset hound, she has reached the end of her leash. When Max Sheffington finds a depressed male basset hound in place of his cheerful Hazel, he is bewildered. But when cute, fiery Carly arrives on his doorstep, he is intrigued. He was expecting the dog walker, not a pretty woman with firm ideas about dog discipline. And Carly was not expecting a handsome, bespectacled man to be feeding her dog mac and cheese. Baxter is besotted with Hazel, and Carly realizes she may have found the key to her puppy's happiness. For his sake, she starts to spend more time with Hazel and Max, until she begins to understand the appeal of falling for your polar opposite.

**Until Tomorrow Comes** Feb 13 2020 Rafael I came for war. I left with an obsession. With one look, Isa captivated me. She consumed me, drawing me into her world without ever knowing the dangers of mine. I intend to make her mine, no matter what lies I need to tell to manipulate her into falling in love with El Diablo. It should be simple enough, but secrets lurk in the depths of her multicolored eyes, and I'll do anything to understand what broke her before I had the chance. Because she's mine to break. Isa Rafael Ibarra tore through my life like a raging inferno. Consuming every part of me he touches, he promises to show me passion and the real Ibiza. Though our tryst can never be anything but temporary, I never want to leave the man who makes me wish things were different. But

there's a nightmare hiding within his multicolored gaze, a phantom rattling at the cages who wants to devour me, to take me and claim me as his. He's temptation, pushing me toward sin with his wicked touch. But the sins of the flesh are different from the sins of the mind, and as much as I hate his secrets...I will never tell him my own. *Until Tomorrow Comes* is the first book in the *Beauty in Lies* series and ends on a cliffhanger. This is a DARK mafia romance and contains graphic violence, mature content, and elements that may be triggering. Please read at your own discretion.

**Warning Voices** Dec 17 2022 In 2014, Julie Rowe published a book entitled "A Greater Tomorrow," in which she shared near death experiences and subsequent dreams and visions where she was shown many of the destructions to precede the Second Coming of the Savior. In the years that have followed, she has continued to lift a warning voice, publishing two other books, speaking at conventions and on radio programs, and publishing podcasts. She is even soon to release a video documentary, meant to help her message get to a new audience. Her story has sent ripples through the LDS community, and has caused many to question whether or not she is a true messenger. Some have even challenged her right to share such a message at all. This book examines the doctrinal case for messengers such as Julie Rowe, providing clarity not only on why such individuals can arise in a society ripening for destruction, but why they absolutely must exist.

*Deadly Strain* Nov 04 2021 Book one of Biological Response Team Major Grace Samuels, a trauma surgeon deployed to Afghanistan, spends her life helping her fellow soldiers overcome disease and combat injuries. But her own wounds are harder to heal. Wracked with guilt over the death of a fellow soldier, she finds comfort in her only friend and appointed bodyguard, weapons sergeant Jacob "Sharp" Foster. Sharp feels more for Grace than a soldier should, more than he wants to admit. When the team discovers a new, quick-to-kill strain of anthrax, he tries to focus on the mission to find its source. He knows he can help Grace defeat her demons, but first they must defeat the deadly outbreak. Sharp is Grace's most loyal ally, but in close quarters, he starts to feel like more. She can't watch someone else she cares about die—but she might not have a choice. The closer they get to finding the source of the strain, the closer it gets to finding them. 79,830 words

*Terrible Revolution* Oct 03 2021 The relationship between early Mormons and the United States was marked by anxiety and hostility, heightened over the course of the nineteenth century by the assassination of Mormon leaders, the Saints' exile from Missouri and Illinois, the military occupation of the Utah territory, and the national crusade against those who practiced plural marriage. Nineteenth-century Latter-day Saints looked forward to apocalyptic events that would unseat corrupt governments across the globe, particularly the tyrannical government of the United States. The infamous "White Horse Prophecy" referred to this coming American apocalypse as "a terrible revolution in the land of America, such as has never been seen before; for the land will be literally left without a supreme government." Mormons envisioned divine deliverance by way of plagues, natural disasters, foreign invasions, American Indian raids, slave uprisings, or civil war unleashed on American cities and American people. For the Saints, these violent images promised a national rebirth that would vouchsafe the protections of the United States Constitution and end their oppression. In *Terrible Revolution*,

Christopher James Blythe examines apocalypticism across the history of the Church of Jesus Christ of Latter-day Saints, particularly as it took shape in the writings and visions of the laity. The responses of the church hierarchy to apocalyptic lay prophecies promoted their own form of separatist nationalism during the nineteenth century. Yet, after Utah obtained statehood, as the church sought to assimilate to national religious norms, these same leaders sought to lessen the tensions between themselves and American political and cultural powers. As a result, visions of a violent end to the nation became a liability to disavow and regulate. Ultimately, Blythe argues that the visionary world of early Mormonism, with its apocalyptic emphases, continued in the church's mainstream culture in modified forms but continued to maintain separatist radical forms at the level of folk-belief.

*I Wonder* Jan 26 2021 “I Wonder offers crucial lessons in emotional intelligence, starting with being secure in the face of uncertainty. **The Prayer Wheel** Mar 28 2021 Award-winning religion journalists describe a recently rediscovered medieval prayer tool that provides fresh inspiration and daily prayers for contemporary Christians. All people of faith struggle at times to sustain a flourishing prayer life--a loss felt all the more keenly in times like ours of confusion, political turbulence, and global calamity. The Prayer Wheel introduces an ancient prayer practice that offers a timeless solution for the modern faithful. The Prayer Wheel is a modern interpretation of the Liesborn Prayer Wheel, a beautiful, almost wholly forgotten, scripture-based mode of prayer that was developed in a medieval times. The Liesborn Prayer Wheel resurfaced in 2015 in a small private gallery near New York's Metropolitan Museum of Art. It faithfully and beautifully presents seven prayer paths for personal or group use. Each path invites contemplation on the "big ideas" of the Christian faith--the Lord's Prayer, the Beatitudes, the gifts of the Holy Spirit, and key words from the life of Christ. In the tradition of lectio divina and walking a labyrinth, The Prayer Wheel simply and directly takes readers into a daily, wholly unique encounter with God. As the prayers in this book unfold, readers will find an appealing guide for contemplation, a way of seeing God in new ways, and an essential new tool for Christian formation.
