**Christianity and Social Work Dec 17 2019** Christianity and Social Work is written for social workers whose motivations to enter the profession are informed by their Christian faith, and who desire to develop faithfully Christian approaches to helping.

**Advices & Queries Jun 22 2020** Advices and queries designed to challenge and inspire Australian Quakers in their personal lives and in their life as a religious community.

***Faith and Practice of Philadelphia Yearly Meeting of the Religious Society of Friends* Oct 19 2022**

***This We Believe* Jan 10 2022** Deepen your understanding of Methodism's core beliefs.

**Anglican Catholic Faith and Practice Mar 12 2022**

***Faith-Based Organizations in Development Discourses and Practice* Aug 05 2021** Exploring faith-based organizations (FBOs) in current developmental discourses and practice, this book presents a selection of empirical in-depth case-studies of Christian FBOs and assesses the vital role credited to FBOs in current discourses on development. Examining the engagement of FBOs with contemporary politics of development, the contributions stress the agency of FBOs in diverse contexts of development policy, both local and global. It is emphasised that FBOs constitute boundary agents and developmental entrepreneurs: they move between different discursive fields such as national and international development discourses, theological discourses, and their specific religious constituencies. By combining influxes from these different contexts, FBOs generate unique perspectives on development: they express alternative views on development and stress particular approaches anchored in their theological social ethics. This book should be of interest to those researching FBOs and their interaction with international organizations, and to scholars working in the broader areas of religion and politics and politics and development.

***Faith and Practice* Nov 08 2021**

**Lived Religion Dec 21 2022** How can we grasp the complex religious lives of individuals such as Peter, an ordained Protestant minister who has little attachment to any church but centers his highly committed religious practice on peace-and-justice activism? Or Hannah, a devout Jew whose rich spiritual life revolves around her women's spirituality group and the daily practice of meditative dance? Or Laura, who identifies as Catholic but rarely attends Mass, and engages daily in Buddhist-style meditation at her home altar arranged with symbols of Mexican American popular religion? Diverse religious practices such as these have long baffled scholars, whose research often starts with the assumption that individuals commit, or refuse to commit, to an entire institutionally framed package of beliefs and practices. Meredith McGuire points the way forward toward a new way of understanding religion. She argues that scholars

**must study religion not as it is defined by religious organizations, but as it is actually lived in people's everyday lives. Drawing on her own extensive fieldwork, as well as recent work by others, McGuire explores the many, seemingly mundane, ways that individuals practice their religions and develop their spiritual lives. By examining the many eclectic and creative practices -- of body, mind, emotion, and spirit -- that have been invisible to researchers, she offers a fuller and more nuanced understanding of contemporary religion.**

**Quaker Writings Nov 20 2022 An illuminating collection of work by members of the Religious Society of Friends. Covering nearly three centuries of religious development, this comprehensive anthology brings together writings from prominent Friends that illustrate the development of Quakerism, show the nature of Quaker spiritual life, discuss Quaker contributions to European and American civilization, and introduce the diverse community of Friends, some of whom are little remembered even among Quakers today. It gives a balanced overview of Quaker history, spanning the globe from its origins to missionary work, and explores daily life, beliefs, perspectives, movements within the community, and activism throughout the world. It is an exceptional contribution to contemporary understanding of religious thought. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.**

**Quaker Faith and Practice Jun 03 2021 This book of Quaker faith and practice is an attempt to express Truth through the vital personal and corporate experience of Friends. It is largely composed of extracts: a fitting way of expressing the breadth of Quaker theology. It also describes the current structures of Britain Yearly Meeting of the Religious Society of Friends.--Back cover.**

***Faith and Practice* Jun 15 2022** This book describes the spiritual beliefs and religious practices of the Quakers in Ohio Valley Yearly Meeting. The Ohio Valley Yearly Meeting of the Religious Society of Friends holds as the basis of its faith the belief that divine truth and the gift of God's presence are available to all people in all ages.

**A Sustainable Life Jul 16 2022** A well-known Quaker historian explores the qualities of Quaker faith and practice that contribute to living sustainably in the world today. He explores such paradoxes as equality and community, unity and differentiation, integrity and personal discernment, and other aspects of life that Quakers have worked to bring into balance through their 350-year history. How have Quakers learned to create the kind of individual and community life that can prepare us to live fully and responsibly into a time of social and planetary change?

***Twenty-First Century Penn* Apr 20 2020** This new edition of Penn's most absorbing works renders in clear modern English the thoughts of this theologically acute, well read, and imaginative 17th-century writer.

***The Proposal for Faith* Mar 20 2020**

**Faith and Will Jan 30 2021** "[A]n authentic, valuable, and introspective work" (Library Journal) from the bestselling author of *The Artist's Way*. This inspiring book from the bestselling author of *The Artist's Way* explores one of the most vital questions that spiritual seekers encounter on the journey to enlightenment: Where do I turn when my soul is urging me to keep growing toward God but my mind and being, stubbornly, will not follow? The author of more than thirty groundbreaking books that deftly trace the intersection between art and faith, between creativity and spirit, Julia Cameron has earned millions of fans around the world. In this, her most personal book to date, she provides a heartbreakingly honest and insightful depiction of her struggle to reconnect to her faith and her realization that having faith, of necessity, means relinquishing will. A wise and passionate book, *Faith and Will* gently guides readers through the process of learning to let go and, in turn, learning to live.

**People of the Chalice Jul 04 2021** Drawing upon his sincere appreciation of the Christian Church (Disciples of Christ) and his decades of service in various roles, Colbert S. Cartwright gives a lively picture of the people who have chosen as their symbol the communion chalice. His purpose is to help these people understand their rich heritage and unique characteristics. (Back cover).

**Lived Religion Apr 01 2021** How can we grasp the complex religious lives of individuals such as Peter, an ordained Protestant minister who has little attachment to any church but centers his highly committed religious practice on peace-and-justice activism? Or Hannah, a devout Jew whose rich spiritual life revolves around her women's spirituality group and the daily practice of meditative dance? Or Laura, who identifies as Catholic but rarely attends Mass, and engages daily in Buddhist-style meditation at her home altar arranged with symbols of Mexican American popular religion? Diverse religious practices such as these have long baffled scholars, whose research often starts with the assumption that individuals commit, or refuse to commit, to an entire institutionally framed package of beliefs and practices. Meredith McGuire points the way forward toward a new way of understanding religion. She argues that scholars must study religion not as it is defined by religious organizations, but as it is actually lived in people's everyday lives. Drawing on her own extensive fieldwork, as well as recent work by others, McGuire explores the many, seemingly mundane, ways that individuals practice their religions and develop their spiritual lives. By examining the many eclectic and creative practices -- of body, mind, emotion, and spirit -- that have been invisible to researchers, she offers a fuller and more nuanced understanding of contemporary religion.

***Christian Faith and Practice in the Modern World* Feb 28 2021**  
***The Quaker Way* Nov 27 2020** This book is an attempt 'to explain the Quaker way, as far as that is possible'. It is a distinctive way and, though perhaps no better than others, it has its own integrity and effectiveness. Although it is fairly well known, Quakerism is not well understood, so the purpose of this book is

**to make it intelligible, to explain how it works as a spiritual practice and why it has adopted the particular practices it has. It is aimed primarily at non-Quakers, who may nonetheless be interested to know what Quakerism is about.**

**She Reads Truth Aug 17 2022 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.**

**Watershed Discipleship May 14 2022 This collection introduces and explores "watershed discipleship" as a critical, contextual, and constructive approach to ecological theology and practice, and features emerging voices from a generation that has grown up under the shadow of climate catastrophe. Watershed Discipleship is a "triple entendre" that recognizes we are in a watershed historical moment of crisis, focuses on our intrinsically bioregional locus as followers of Jesus, and urges us to become disciples of our watersheds. Bibliographic framing essays by**

**Myers trace his journey into a bioregionalist Christian faith and practice and offer reflections on incarnational theology, hermeneutics, and ecclesiology. The essays feature more than a dozen activists, educators, and practitioners under the age of forty, whose work and witness attest to a growing movement of resistance and reimagination across North America. This anthology overviews the bioregional paradigm and its theological and political significance for local sustainability, restorative justice, and spiritual renewal. Contributors reread both biblical texts and churchly practices (such as mission, baptism, and liturgy) through the lens of "re-place-ment." Herein is a comprehensive and engaged call for a "Transition church" that can help turn our history around toward environmental resiliency and social justice, by passionate advocates on the front lines of watershed discipleship. CONTRIBUTORS: Sasha Adkins, Jay Beck, Teyvn East, Erinn Fahey, Katarina Friesen, Matt Humphrey, Vickie Machado, Jonathan McRay, Sarah Nolan, Reyna Ortega, Dave Pritchett, Erynn Smith, Sarah Thompson, Lydia Wylie-Kellermann**

***Catholic Faith and Practice in England, 1779-1992* Nov 15 2019 Reveals through a study of how ordinary Catholics lived their faith that Roman Catholicism, and not just Protestantism, can be seen as part of the Evangelical spectrum of religious experience.**

**The Religion-Gender Nexus in Development Feb 17 2020 This book illuminates the intersection of religion and gender within the development sector, exposing challenges in both policy and practice and suggesting implementable solutions. This book argues that a better understanding of the religion-gender nexus is needed by development sector practitioners, especially at a time when religious arguments are being used around the world to justify gender inequality and violence against women. The book draws on extensive qualitative research with senior gender personnel, religion advisors, and implementation partners from across the largest bilateral development agencies. The nexus is considered from the grassroots level up to donor country politics and across key themes, such as gender-based violence, reproductive rights, unpaid care and domestic work, and women's participation in leadership roles. The book concludes by**

**offering implementable solutions for practitioners to address the religion-gender nexus in a more meaningful way. Bridging the gap between academic theory and day-to-day development practice, this book is an important reference for development practitioners, and for researchers from across development studies, gender studies, and religious studies.**

**Faith and Reason Oct 15 2019 Richard Swinburne analyses the purposes of practising a religion, and argues that religious faith requires belief that a particular creed provides the rationale for supposing that these purposes will be achieved.**

**Consuming Religion Apr 13 2022 Contemporary theology, argues Miller, is silent on what is unquestionably one of the most important cultural issues it faces: consumerism or "consumer culture." While there is no shortage of expressions of concern about the corrosive effects of consumerism from the standpoint of economic justice or environmental ethics, there is a surprising paucity of theoretically sophisticated works on the topic, for consumerism, argues Miller, is not just about behavioral "excesses"; rather, it is a pervasive worldview that affects our construction as persons-what motivates us, how we relate to others, to culture, and to religion. *Consuming Religion* surveys almost a century of scholarly literature on consumerism and the commodification of culture and charts the ways in which religious belief and practice have been transformed by the dominant consumer culture of the West. It demonstrates the significance of this seismic cultural shift for theological method, doctrine, belief, community, and theological anthropology. Like more popular texts, the book takes a critical stand against the deleterious effects of consumerism. However, its analytical complexity provides the basis for developing more sophisticated tactics for addressing these problems.**

**The Faith and Practice of the Quakers Jan 18 2020**

***The Meaning and Practice of Faith* Jul 24 2020 A practical guide for adults who are more interested in being and doing the truth than in doctrinal statements about the truth.**

**Faith and Practice of Islam Sep 06 2021 William C. Chittick is Associate Professor of Religious Studies at State University of New York, Stony Brook. His other books include A Shi'ite Anthology; The Sufi Path of Knowledge: Ibn al-Arabi's Metaphysics of Imagination; and The Sufi Path of Love: The Spiritual Teachings of Rumi, all published by SUNY Press.**

**Faith and Practice Jan 22 2023 The Rt. Rev. Frank E. Wilson (1855-1944), late Bishop of Eau Claire, was perhaps the most prolific Episcopal writer of his era, authoring dozens of books geared to lay people. Over the years, his works have helped to renew the Church, encourage social and ecumenical progress, and provide guidance and insight to generations of Episcopalians. Faith and Practice's reaffirming message celebrates our unique Anglican way of thinking while calling us to act faithfully upon those beliefs. More than 50 years after its original publication, this timely book that explores core Christian beliefs, continues to inspire and instruct Anglicans throughout the world.**

**Beliefs Feb 11 2022 Ask any person randomly on the sidewalk what they know about the Mennonites and chances are their answer will include Mormons, black clothes and buggies, or general confusion. This short, engaging book gives a brief account of what Mennonites believe. From the beginnings of the Anabaptist (or Mennonite) movement in the 16th-century, to biblical interpretation, baptism, understandings of the church, ethics, and the complex question of denominationalism, John D. Roth provides a solid framework for on-going conversations about faithful discipleship in the Mennonite church today. Free downloadable study guide available here.**

**Faith and Violence Aug 25 2020 In Faith and Violence, Thomas Merton offers concrete and pungent social criticisms grounded in prophetic faith about such issues as Vietnam, racism, violence, and war.**

**Making Wise the Simple Dec 09 2021** Too long restricted to children's storybooks and cinematic extravaganzas, the Torah -- comprising the first five books of the Bible -- is an underappreciated mother lode of divine instruction, vitally important for Christians and the church. Convinced that both those who take the Torah too literally and those who neglect it are guilty of a naïve simplicity, Johanna van Wijk-Bos presents guidelines to help ordinary Christians recover this treasure in their faith and practice. Having lived in the Netherlands during the Nazi occupation, van Wijk-Bos recognizes that after the attempted annihilation of the Jews from Christian Europe, it cannot be business as usual for Christianity. In light of the Holocaust, Christians must commit themselves to the restoration of just relations between Christians and Jews. This commitment to address all that fractures human relations undergirds van Wijk-Bos's call for Christians to reengage the Torah. **Making Wise the Simple** points out how God's care for and engagement with the whole world in the Torah set the tone for the entire biblical story. The book pays special attention to how our treatment of strangers lies at the heart of the Torah's teaching. Without attempting a purely Jewish reading of the Torah, van Wijk-Bos reclaims the Torah as a vibrant word for the Christian community in covenant with God. Written in a personal style conversant with current scholarship but sprinkled with anecdotes, this book is for everyone who has a hunger and enthusiasm for what the biblical text may convey, the courage to ask disturbing questions of the text, and an openness to old words that may bring forth new things, perhaps even making one wise.

**Secret Faith in the Public Square Sep 25 2020** Provocatively argues that concealing Christian identity in American public life is the best way to maintain faithful witness and integrity.

***Faith and Practice* Dec 29 2020**

**Handbook of Faith and Spirituality in the Workplace Oct 07 2021** While the field of management has developed as a research discipline over the last century, until the early 1990s there was essentially no acknowledgement that the human spirit plays an important role in the workplace. Over the past twenty years, the

**tide has begun to turn, as evidenced by the growing number of courses in academia and in corporate training, and an exponential increase in the publications emerging through creative interaction of scholars and practitioners in organizational behaviour, workplace diversity, sustainability, innovation, corporate governance, leadership, and corporate wellness, as well as contributions by psychotherapists, theologians, anthropologists, educators, philosophers, and artists. This Handbook is the most comprehensive collection to date of essays by the preeminent researchers and practitioners in faith and spirituality in the workplace, featuring not only the most current research and case examples, but visions of what will be, or should be, emerging over the horizon. It includes essays by the people who helped to pioneer the field as well as essays by up and coming young scholars. Among the questions and issues addressed: · What does it mean to be a “spiritual” organization? How does this perspective challenge traditional approaches to the firm as a purely rational, profit-maximizing enterprise? · Is faith and spirituality in the workplace a passing fad, or is there a substantial shift occurring in the business paradigm? · How does this field inform emerging management disciplines such as sustainability, diversity, and social responsibility? · In what ways are faith and spirituality in the workplace similar to progressive and innovative human resource practices. Does faith and spirituality in the workplace bring something additional to the conversation, and if so, what? The aim of The Handbook of Faith and Spirituality in the Workplace is to provide researchers, faculty, students, and practitioners with a broad overview of the field from a research perspective, while keeping an eye on building a bridge between scholarship and practice.**

**Faith After Doubt May 22 2020 From the author of A New Kind of Christianity comes a bold proposal: only doubt can save the world and your faith. ONE of the Best Spiritual Books of 2021—Spirituality & Practice "Will help you live fuller and breathe easier.." —Glennon Doyle Sixty-five million adults in the U.S. have dropped out of active church attendance and about 2.7**

million more are leaving every year. **Faith After Doubt** is for the millions of people around the world who feel that their faith is falling apart. Using his own story and the stories of a diverse group of struggling believers, Brian D. McLaren, a former pastor and now an author, speaker, and activist shows how old assumptions are being challenged in nearly every area of human life, not just theology and spirituality. He proposes a four-stage model of faith development in which questions and doubt are not the enemy of faith, but rather a portal to a more mature and fruitful kind of faith. The four stages—Simplicity, Complexity, Perplexity, and Harmony—offer a path forward that can help sincere and thoughtful people leave behind unnecessary baggage and intensify their commitment to what matters most.

**Quaker Faith and Practice** Feb 23 2023 This book of Quaker faith and practice is an attempt to express Truth through the vital personal and corporate experience of Friends. It is largely composed of extracts: a fitting way of expressing the breadth of Quaker theology. It also describes the current structures of Britain Yearly Meeting of the Religious Society of Friends.--Back cover.

**Practice of Faith** Oct 27 2020 Karl Rahner was not only one of the architects of modern Roman Catholic theology but also a master of the spiritual life - a pastor among pastors as well as a theologian among theologians. His writings on spirituality and pastoral matters nearly equal the number of his strictly theological ones. This volume is in one sense the spiritual and pastoral counterpart of Rahner's theological masterpiece, **Foundations of Christian Faith**, and is a distillation of his thought on spirituality which is likely to prove more accessible to readers than the forbidding volumes of **Theological Explorations**. Divided into three parts, Faith, Hope and Love, it deals with the sacraments, the theological virtues, the states of life, the various kinds of prayer and religious devotion, and other aspects of ascetical and mystical theology. There are contemporary themes as well: basic Christian community, worshipping communities in the home and a new asceticism for the consumer society. Last but not least there are the themes relating to basic human

**experience: courage, suffering, death and peace. Karl Ramer, who died in 1984, taught at the universities of Innsbruck, Munich and Munster. He was one of the greatest twentieth-century Roman Catholic theologians.**

***Faith and Practice of the Philadelphia Yearly Meeting of the Religious Society of Friends Sep 18 2022***

[modules.ilca.org](http://modules.ilca.org)
