Radical Oct 03 2021 New York Times bestseller
What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic

story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

The Gospel According to Mark Sep 14 2022

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave [Discipleship Training in Luke's Gospel](#) Jan 26 2021 Wouldn't it be wonderful to be trained as a disciple by Jesus himself? To be one of that band of Twelve and then Seventy who followed him around Galilee and Judea. As they walked with Jesus, he molded them as disciples. Disciple Lessons in Luke's Gospel is a conscious attempt to put you and me in the place of those first disciples. It's a JesusWalk. Over 120 lessons, you'll look at each of Jesus' healing acts, each word, each confrontation, each parable, and ask the question: What should I as a disciple be learning from this? Written over a period of three years and experienced by over 5,000 students from 123 countries, Disciple Lessons in Luke's Gospel is being used by God to mold many in Christ's image. Now slightly revised and available in audio form and via e-mail, this series can help form you as a disciple. Preachers will be glad for the careful exegesis of each passage, footnoted research, and deep digging that results in present-day applications.

Teachers will use the deep, probing questions at the end of each lesson. But the one who will benefit most is you, the earnest disciple, who wants to learn genuine discipleship at the feet of the Master. Third Edition.

flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. Dogmatic Constitution on Divine Revelation Feb 07 2022 This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

[Colossians and Ephesians](#) Sep 02 2021 No two works in the Pauline Epistles resemble each other as closely as Colossians and Ephesians. Often recognized for their majestic tone and powerful theological statement, Colossians and Ephesians also present many challenges of interpretation. Most commentaries on these letters seem preoccupied with the same few issues, particularly the question of authorship. As MacDonald addresses these classic questions, she offers a fresh perspective on Colossians and Ephesians by making use of insights from the social sciences. Moreover, by

paying attention to subtle differences between the two letters, she brings their distinct perspectives into sharp relief. MacDonald highlights the interplay between Colossians and Ephesians and the social life of New Testament communities. She illustrates how the texts reflect ancient cultural values and are influenced by particular aspects of community life such as worship and household existence. In particular, she reflects on the issues faced by these communities as they formed institutions and interacted with the society around them. She shows the struggles of the New Testament communities to survive and maintain a distinct identity in first-century society. Chapters under Colossians are Greeting (1:1-2), "Thanksgiving for the Colossians (1:3-8)," "Prayer on Behalf of the Colossians (1:9-14,)" "The Christ-Hymn (1:15-20)," "Application of Hymn to the Situation in Colossae (1:21-23)," "Paul's Authority in Colossae and Laodicea (1:24-2:7)," "Debate with the Opponents: The Power of the Risen Christ (2:8-15)," "Debate with the Opponents: Warnings Against Ascetic Practices (2:16-23)," "New Life in Light of the Resurrection (3:1-4)," "Ethical Guidelines for a New Life (3:5-17)," "The Households of Believers(3:18-4:1)," "Prayer, Mission, and Contact with Outsiders (4:2-6)," "Conclusion: Personal Notes and Greetings (4:7-18)." Chapters under Ephesians are "Greeting (1:1-2)," "Blessing (1:3-14)," "Thanksgiving and Prayer (1:15-23)," "The Consequences of Life Together with Christ (2:1-10)," "The Unity of Jews and Gentiles

Created by Christ (2:11-22)," "The Apostle as Interpreter of the Divine Mystery (3:1-13)," "Prayer and Doxology (3:14-21)," "The Unity of the Spirit (4:1-16)," "The Sons of Disobedience and the Children of Light (4:17-5:20)," "The Households of Believers (5:21-6:9)," "Doing Battle with Evil (6:10-20)," "Conclusion: Personal Matters and Final Blessing (6:21-24)." Luke Alive Jul 12 2022 "Do you feel as though God favors you? That He is on your side? That He is always with you?" These are the questions Robert Blair asks in the first of 13 sermons in

Luke Alive, Volume 1. They cut straight to the Christian heart. They address our greatest fear: that we might not be good enough for God. That we might not enjoy his favor. Blair does not stop short at dismissing our fears with a casual overview of grace. He addresses where they come from, a natural drive to earn favor, to work toward something we can never fully attain ourselves. The Gospel of Luke shows us what we can "earn" with our actions and what we can't. In Mary, the Mother of Jesus we have an image of what it means to be chosen, to be given the Lord's favor. In Jesus' proclamation of the year of the Lord's favor at Nazareth we see that, favored as we may be, there is a kind of favor we can earn when we seize the opportunity. In the story of Jesus and his disciples picking grain on the Sabbath we learn that we do not earn favor by following rules. That's when it gets really exciting. Luke Alive guides ministers through our deepest of Christian fears and desires, and offers satisfying answers based firmly in scripture. It is a must-have volume for pastors seeking to answer direct questions with plain language, whether from the pulpit or the living room couch. Sermon titles include: One: "The angel's Nazareth mission" (Luke 1:26-38) Two: "Will you enjoy the year of the Lord's favor?" (Luke 4:14-21) Three: "Does Sunday equal the Sabbath?" (Luke 6:1-11) Robert Blair pastored the Church of Christ in Hollywood, California for 28 years. A graduate of Pepperdine University (B.A., M.A.), Blair now resides in

Cleghorn, Iowa. His writings have appeared in Leadership and Leadership Handbooks of Practical Theology. Homiletical Theology Aug 13 2022 Karl Barth famously argued that all theology is sermon preparation. But what if all sermon preparation is actually theology? This book pursues a thoroughgoing theological vision for the practice of preaching as a way of doing theology. The idea is not just that homiletics is the realm of theological application. That would leave preaching in the position of simply implementing a theology already arrived at. Instead, the vision in these pages is of a form of theology that begins with preaching itself: its practice, its theories, and its contexts. Homiletical theology is thus a unique way of doing theology--even a constructive theological task in its own right. Homiletician David Schnasa Jacobsen has assembled several of the leading lights of contemporary homiletics to help to see its task ever more deeply as theological, yet in profoundly diverse ways. Along the way, readers will not only discover how homileticians do theology homiletically, but will deepen the way in which they understand their own preaching as a theological task. The Acts of the Apostles Jan 06 2022 Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean

against a background of persecution. With an introduction by P.D. James ESV Study Bible Apr 28 2021 The ESV Study Bible was created to help people understand the Bible in a deeper way. 1 Corinthians May 30 2021 As the gospel spreads to the far corners of the earth, the apostle Paul is under mounting pressure to provide direction to maturing churches before they go astray. It's with this urgency that Paul covers many topics that are especially relevant in today's society. Pastor John MacArthur will take you through the first letter to the church in Corinth to show how this church in particular allowed their worldliness to affect the church's priority of spreading the gospel—and how Paul's response gives Christians black-and-white boundaries in a gray world. As Paul explains doctrinal truths directly relating to sin and righteousness, he outlines a foundation for godly behavior. Paul's letter is a valuable tool of correction and encouragement for believers—then and now—to be alert, firm, mature, strong, and loving. —ABOUT THE SERIES— The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur. Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates: Extensive, but straight-forward commentary on the text. Detailed observations on overriding themes, timelines, history, and context. Word and phrase studies to help you unlock the broader meaning and apply it to your life. Probing, interactive questions with plenty of space to write down your response and thoughts.

Numbers Book III: Chapters 14-21 Mar 08 2022
The "Heavenly Citizens" series serves as a tool to help the Christian understand not only what the Bible teaches us, but also how to study the Bible. Explaining what the Bible teaches is like giving someone a fish to eat. Teaching how to study the Bible is like teaching someone how to fish so they can feed themselves. Both approaches are essential to developing spiritual maturity. "Numbers" is the fourth volume in the "Heavenly Citizens" series. This book records the numbering of the Israelites prior to their departure from Mt. Sinai, where they had spent just over one year. The Israelites were numbered by tribes as part of the military draft! The tribe of Levi was also numbered, but

separately because they were to serve as the tabernacle servants to their kin the priests. The twelve tribes were organized into four divisions of three per camp, with each camp being organized into an army and the three armies of each camp forming a division. Each division guarded one of the four sides of Israel's camp during idle times, and they marched in military array during the not so idle times. The Shekinah cloud of Yahweh's presence went in front and led the Israelites during their wilderness journeys. Alas, but the Israelites had nothing on all other sinful men. They rebelled quite regularly against the Lord and His leaders Moses and Aaron. Even Moses' brother Aaron and sister Miriam rebelled against Moses! If that were not enough, Moses' and Aaron's own kin, the tribe of Levi, rebelled against the both of them! Yikes! This book should be renamed "Tide of Rebellion"! Come on in and read a spell and learn all about it for yourself. All of this teaching served as miniature picture stories of hidden spiritual truth. We have the pleasure to study those picture stories (the context). From that context we draw out the principles of hidden spiritual truth, and then we apply the principles to Christian living today. This is the approach for "Numbers" and for every volume in the "Heavenly Citizens" series. We teach the student the meaning of Scripture and we teach him or her how to study the Bible on his/her own. We do this in two ways: we provide a few rules by which to govern our Bible study, and we demonstrate by example how to study the

Bible. Experience is an outstanding teacher. We practice in our books the rules for Bible study. By walking through the Bible with us, the reader experiences firsthand what our method of study is like. We believe the student will come out of our studies with both an understanding of the Bible and the ability to truthfully and intelligently study the Bible on his/her own. The path lies before you. Walk through the gate and join the journey with us! And may the blessings of the Lord Jesus Christ be yours in abundance.

Oct 23 2020 Codex Sinaiticus

is one of the world's most remarkable books. Written in Greek in the fourth century, it is the oldest surviving complete New Testament, and one of the two oldest manuscripts of the whole Bible. No other early manuscript of the Christian Bible has been so extensively corrected, and the significance of Codex Sinaiticus for the reconstruction of the Christian Bible's original text, the history of the Bible and the history of western book making is immense. Since 2002, a major international project has been creating an electronic version of the manuscript. This magnificent printed facsimile reunites the text, now divided between the British Library, the National Library of Russia, St Catherine's Monastery, Mt Sinai and Leipzig University Library.
