The Searing Portrayal Of War That Has Stunned And Galvanized Generations Of Readers An immediate bestseller upon its original publication in 1939, Dalton Trumbo's stark, profoundly troubling masterpiece about the horrors of World War I brilliantly crystallized the uncompromising brutality of war and became the most influential protest novel of the

Vietnam era. Johnny Got His Gun is an undisputed classic of antiwar literature that's as timely as ever. ?A terrifying book, of an extraordinary emotional intensity.?--The Washington Post "Powerful. . . an eye-opener." --Michael Moore "Mr. Trumbo sets this story down almost without pause or punctuation and with a fury amounting to eloquence."--The New York Times "A book that can never be forgotten by anyone who reads it."--Saturday Review Passion, conflict and infidelity in this gripping tale of two people and their marriage. Set against the glittering background of high life in South Africa, New York and Barbados, an idealistic young writer tastes the corrupting fruits of success, while his beautiful, ambitious wife begins to doubt her former values. In The Pillow Book of Lady Wisteria, Laura Joh Rowland once again has written a book in which "an exotic setting, seventeenth-century Japan, and a splendid mystery...make for grand entertainment" (New York Daily News). In the carefully ordered world of seventeenth-century Japan, the Yoshiwara pleasure quarter is a place where men of all classes can drink, revel, and enjoy the favors of beautiful courtesans. But on a cold winter's dawn, Sano Ichiro--the shogun's Most Honorable Investigator of Events, Situations, and People--must visit Yoshiwara on a most unpleasant mission. Within a house of assignation reserved for the wealthiest, most prominent men, a terrible murder has occurred. In a room that reeks of liquor and sex, the shogun's cousin and heir, Lord Mitsuyoshi, lies dead, a flowered hairpin embedded in his eye, in the bed of the famous courtesan, Lady Wisteria. The shogun demands quick justice,

but Sano's path is blocked by many obstacles, including the disappearance of Wisteria and her pillow book, a diary that may contain clues. The politics of court life, the whims of the shogun, and interference by his long time rival, Edo's Chief Police Commissioner Hoshina, also hinder Sano in his search for the killer. Sano's wife, Lady Reiko, is eager to help him, but he fears what she may uncover. When suspicion of murder falls upon Sano himself, he must find the real murderer to solve the case and clear his name. Script of Greenaway's 1995 film, *The pillow book*, which was made as an homage to the 10th century story by Sei Shōnagon entitled *Makura no sōshi*, on which it is loosely based. *Pillow Thoughts* is a collection of poetry and prose about heartbreak, love, and raw emotions. It is divided into sections to read when you feel you need them most. Peppernell understands that healing is a process, and *Pillow Thoughts II* eloquently captures the time and experience that one goes through on their journey to peace through restoration. A collection of inspirational and comforting poems for anyone who is mending from a broken heart. In the aftermath of the 2003 Academy Awards, Max and Elena- he's an Oscar-winning writer/director-open their Hollywood Hills home to a group of friends and neighbors, industry insiders and hangers-on, eager to escape the outside world and dissect the latest news, gossip, and secrets of the business. Over the next ten days, old lovers collide, new relationships form, and sparks fly, all with Smiley's signature sparkling wit and characterization. With its breathtaking passion and sexy irreverence, *Ten Days in the Hills* is a glowing addition to

the work of one of our most beloved novelists. "Interior Decorator Madison Night has modeled her life after a character in a Doris Day movie, but when a killer targets women dressed like the bubbly actress, Madison's signature sixties style places her in the middle of a homicide investigation. The local detective connects the new crimes to a twenty-year old cold case, and Madison's long-trusted contractor emerges as the leading suspect. As the body count piles up like a stack of plush pillows, Madison uncovers a former spy, a campaign to destroy all Doris Day movies, and six minutes of film that will change her life forever"--Page 4 of cover. Katie Day isn't interested in knowing the women her husband slept with. She would like to know if one of them caused his crippling brain damage. And she'd like to get back her stolen jewelry. The cops can't help her. But she thinks Rollins Krump might be of service, and she'll pay him very well. Rollins will take the case, and there are a lot of sexy women he'll need to interview. She Dreamed of Finding Mr. Right Margaret "Call me Meg" McKenzie Cooper will do anything to make her children's dreams for a daddy come true-even if it means accepting a stranger's outrageous marriage proposal. Only she hadn't counted on the man's brother being the dangerously sexy Parker Ponthier-or that making her children's dreams come true would mean risking her heart. Could This Dream Come True? Any woman between eight and eighty would kill to flaunt Parker's heirloom diamond engagement ring. The New Orleans millionaire doesn't want someone who's after his bank account-he's looking for a lifetime of love. Meg is warm,

passionate, and sets his soul on fire. But while his instincts warn him that she's nothing but trouble with a capital "T," Parker decides that for once in his life he's going to follow his heart. This collection explores the emptiness at the center of the characters' lives and their attempts to fill this lack. In these stories about friendship, motherhood, and the search for enduring love, rules about decency and kindness are broken and repaired as men and women attempt to achieve an elusive sense of fulfillment.

Kami 'bersahabat' sejak kecil. Tepatnya, kalau ada kata lain untuk menggambarkan sesuatu yang melampaui 'sahabat', maka kata itulah kami. Berbagi cerita, berbagi rahasia. Bahkan, tanpa disadari, kami pun membagi cinta. Tapi, apakah kau tahu, rasanya saling mencintai namun bertahan untuk tidak saling memiliki? Percayalah, ini lebih buruk dari sekadar patah hati. Ini bukan kisah cinta yang ingin kau alami. comes this new anthology of tales of lesbian love and lust. Outrageous, poignant, funny, bittersweet and unabashedly erotic, it will leave readers begging for more. In this “charming memoir,” a determined Francophile pursues fluency in the language he loves—and we read along to find out if it will ever love him back (Kirkus Reviews). William Alexander is more than a Francophile. He wants to be French. If only he could speak the language. In *Flirting with French*, Alexander eats, breathes, and sleeps au français. He travels to France, where mistranslations send him bicycling off in all sorts of wrong directions. At an immersion class in Provence where he faces the riddle of masculine breasts, feminine beards, and a turkey cutlet of uncertain gender, he wonders if he should’ve taken up golf instead. While playing hooky from grammar lessons and memory techniques, Alexander reports on the riotous workings of the Académie Française, the centuries-old institution charged with keeping the language pure; explores the science of human communication, learning why it’s harder for fifty-year-olds to learn a second language than it is for five-year-olds. Never giving up his quest for fluency, Alexander discovers that studying French may have had a far greater impact on his life than actually learning to speak it ever would. “Alexander proves that learning a new language is an adventure of its own—with all the unexpected obstacles, surprising breakthroughs and moments of sublime pleasure traveling brings.” —Julie Barlow, author of *The Bonjour Effect*

Perfect for fans of *One Day You’ll Thank Me* and *Capital Gains*, the star of *Southern Charm* and cofounder and CMO

of Sewing Down South reveals how he turned his passion for sewing into a profitable enterprise and a fulfilling life, while also taking us behind-the-scenes of one of Bravo's most popular shows. As a young boy sitting at a sewing machine in home economics class, Craig Conover had no idea that this hobby would one day change his life for the better. Growing up in Delaware, Conover experienced cruel bullying and suffered from severe anxiety and obsessive-compulsive disorder. But while law school in Charleston seemed to provide the direction he needed, Conover spent years searching for meaning and passion in life. The chance to become a cast member on Bravo's Southern Charm promised to provide that. Though the show gave Conover a shot at fame and fortune, it also offered destructive temptations that fed his insecurities. As the show increased in popularity, he sank deeper into self-doubt. Unable to take control of his life, Conover quickly lost his job, his girlfriend, and his motivation. Then, at his lowest point, Conover turned to his passion—sewing—and slowly pulled himself out of the spiral. A chance phone call from an old friend gave Conover the support he needed to turn his hobby into a business. Soon after, Sewing Down South was born and became an overnight success, with Conover launching a multi-state "Pillow Party Tour," being featured on HSN, and opening a retail store in downtown Charleston. Now, Conover reveals the full story of the drama that swirled around him on the show—both on screen and off—and how it led to the founding of Sewing Down South. He also talks about how he was able to turn his passion into his work and

reclaim the direction of his life and what lessons we can learn from his experience. Meet Rollins Krump. With his sexy blue eyes and amazing body, women can't seem to resist him. He used to be a cop, and he used to be married. After leaving his wife and his job, Rollins went to work as a private investigator. His methods are a bit unorthodox, but very effective. He mostly just interviews select women, and he has ways of getting them to talk. "Sponsored by The Helen Zell Writers' Program at the University of Michigan." A quirky romance about sisters... And coming home. "So funny, yet very romantic as well." — Goodreads Reviewer

After catching her research partner-slash-fiancé with the intern, Dr. Daphne Donovan returns home to lick her wounds and figure out how to fix her life. It doesn't take a genius to figure it out: being an uber-brilliant Doogie Howser has made her life miserable while all the normal people she knows are happy and content. There's only one thing to do: become normal. No more being the wunderkind of childhood disease research. All she wants is a regular nine to five job, two-point-five children, a white picket fence, and a blue collar husband. Except normal isn't all it's cracked up to be, especially after she meets Ulysses Gray. Gray is everything she doesn't want: smart, incredibly handsome, and a doctor--just like her ex-fiancé. She wants to deny him--and herself--but she can't resist playing doctor...
