0133861007/ISBN-13: 9780133861006. "For introductory courses in
Human Resource Management." Foundations in Management Beyond the
HR Department "Fundamentals of Human Resources

Management" supports human resources training for all students of
management--not just HR managers. The text presents a wide range of HR
topics within a single semester of material, and a wealth of functional
examples and applications. "Fundamentals" is also the first text of its kind to
make talent management processes a core study. This Fourth Edition has
been updated with practical personnel techniques, real company examples,
and new material on business sustainability--and each chapter now touches
on important recurring themes in management, including employee
engagement tactics, small/global business management, employment law
features, and positive employee relations. Also available with

MyManagementLab(R) MyManagementLab is an online homework, tutorial,
and assessment program designed to work with this text to engage

students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

Mymanagmentlab with Pearson Etext -- Access Card -- For Managing Human Resources Jan 10 2022 A Down-to-Earth Approach James Henslin shares the excitement of sociology in *Essentials of Sociology: A Down-to-Earth Approach*, 11/e. With his acclaimed "down-to-earth" approach and personal writing style, the author highlights the sociology of everyday life and its relevance to students' lives. With wit, personal reflection, and illuminating examples, Henslin stimulates students' sociological imagination

so they can better perceive how the pieces of society fit together. In addition to this trademark down-to-earth approach, other distinctive features include: comparative perspectives, the globalization of capitalism, and visual presentations of sociology. MySocLab is an integral part of the Henslin learning program. Engaging activities and assessments provide a teaching and learning system that helps students see the world through a sociological lens. With MySocLab, students can develop critical thinking skills through writing, explore real-world data through the new Social Explorer, and watch the latest entries in the Core Concept Video Series. Revel from Pearson is a new learning experience designed for the way today's students read, think, and learn. Revel redesigns familiar and respected course content and enriches it for today's students with new dynamic, rich-media interactives and assessments. The result is improved student engagement and improved learning. Revel for Henslin will be available for Fall 2014 classes. This program will provide a better teaching and learning experience-for you and your students. It:

- Personalizes Learning with MySocLab: MySocLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance.
- Explores a Down-to-Earth Approach: This title highlights the sociology of everyday life and its relevance to students' lives.
- Improves Critical Thinking: Features throughout help build critical thinking skills.
- Understands Social Change: An important theme of the text, social change over time, examines what society was previously like, how it has changed, and what the implications are for the present and future.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN.
