They learn that he was a freedom fighter who put down his weapons for the sake of peace, and who then became the President of South Africa and a Nobel Peace Prize-winner, and realise that they can continue his legacy in the world today. The startling wisdom of Rebbe Nachman of Breslov will help you talk with God and enable you to hear your own voice as well. What is a child? The concept of childhood is so familiar that we tend to assume its universality. However, the meaning of childhood is always being negotiated, not only by the imaginations of adults, but also by nations, markets, history and children themselves. Yet, as much as the question is considered by the social world, the contributions in this book remind readers that children are also active, embodied, and inquiring agents engaged in figuring a relationship with that the world they inherit. This book's unifying theme, "The child in question," emerges from an assertion that childhood has boundaries far more elastic than can be held by the familiar notion of the innocent child developing toward a heteronormative future. The title pays homage to the work of sociologist, Diana Gittins, who, over twenty years ago, asked how the shifting meanings of children and childhood impact the lives of children. The contributions of this book examine contemporary educational policy and practice, curriculum material, literary and visual representations, and teacher narratives to further probe how and why it matters that childhood, as a concept and experience, remains as multiple and elusive as ever. The chapters in this book were originally published as a special issue of the journal, Curriculum Inquiry. Charlotte Mendelson, Observer Book of the Year Opening with a powerful and tender 'Ode to the Hymen', Sharon Olds uses this age-old poetic form to address many aspects of herself, in a collection that is centred around the female body and female pleasures, and touches along the way on parts of her own story which will be familiar from earlier works, each episode and memory now burnished by the wisdom and grace of looking back. In such poems as 'Ode to My Sister', 'Ode of Broken Loyalty', 'Ode to My Whiteness', 'Blow Job Ode', 'Ode to the Last 38 Trees in New York City Visible from This Window', Olds treats

us to an intimate self-examination that, like all her work, is universal and by turns searing and charming in its honesty. From the early bodily joys and sorrows of her girlhood to the recent deaths of those dearest to her – the ‘Sheffield Mountain Ode’ for Galway Kinnell is one of the most stunning pieces here – Olds shapes her world in language that is startlingly fresh, profound in its conclusions, and life-giving for the reader.
