Malachus is a draga living on borrowed time. The magic that has protected him will soon turn on him--unless he finds a key part of his heritage. He has tracked it to a group of free**

Unbeknownst to both, the Empire's twisted empress searches for a draga of her own, to capture and kill as a trophy. As Malachus the hunter becomes the hunted, Halani must risk herself and all she loves to save him from the Empire's machinations and his own lethal birthright.

From Blood and Ash Jul 11 2021 Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the

forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. To Love and to Loathe May 21 2022 Named a best romance of the year by Entertainment Weekly Named a most anticipated romance by Oprah Daily, Marie Claire,

BuzzFeed, PopSugar, and more! “There was no romance novel more fun this year than this extremely witty enemies-with-benefits confection.” —Entertainment Weekly The author of the “hilarious...joyful, elegant” (Publishers Weekly, starred review) To Have and to Hoax returns with an effervescent, charming, and swoon-worthy novel about a man and woman who never agree on anything—until they agree to a no-strings-attached affair in this Regency-era romp. The widowed Diana, Lady Templeton and Jeremy, Marquess of Willingham are infamous among English high society as much for their sharp-tongued bickering as their flirtation. One evening, an argument at a ball turns into a serious wager: Jeremy will marry within the year or Diana will forfeit one hundred pounds. So shortly after, just before a fortnight-long house party at Elderwild, Jeremy’s country estate, Diana is shocked when Jeremy appears at her home with a very different kind of proposition. After his latest mistress unfavorably criticized his skills in the bedroom, Jeremy is looking for reassurance, so he has gone to the only woman he trusts to be totally truthful. He suggests that they embark on a brief affair while at the house party—Jeremy can receive an honest critique of his bedroom skills and widowed Diana can use the gossip to signal to other gentlemen that she is interested in taking a lover. Diana thinks taking him up on his counter-proposal can only help her win her wager. With her in the bedroom and Jeremy’s marriage-minded grandmother, the formidable Dowager Marchioness of Willingham, helping to find suitable matches among the eligible ladies at Elderwild, Diana is confident her victory is assured. But while they’re focused on winning wagers, they stand to

lose their own hearts. With Martha Waters's signature "cheeky charm and wonderfully wry wit" (Booklist, starred review), *To Love and to Loathe* is another clever and delightful historical rom-com that is perfect for fans of Christina Lauren and Evie Dunmore.

wild chance of birth, he was born with powerful wizard magic, the first in his family in generations. If he can obtain a familiar to amplify his magic, a highborn daughter he can marry, to be mother to his children, he'll be that much closer to saving his family. With her by his side, he can ascend to such a position of power in the Convocation that he can destroy it forever. Lady Veronica Elal, captive in her tower, has only one way out. To her bitter disappointment, she will never be a wizard. Instead, through a twist of fate, and despite her expensive Convocation Academy education, Nic is doomed to be a familiar like her mother. Forced to participate in the Betrothal Trials, she receives a wizard suitor for one night each month. Whichever man impregnates her will bond her to them forever. With no choice but to serve the one who wins her, Nic has one hope for control over her life: a wizard she can manipulate. Gabriel Phel seems like the perfect choice for Nic's gambit—he's desperate and untutored in wizardry—but within moments of meeting him, she feels the bonds of magic tying them together. Afraid of losing her will to the compelling wizard who touches her heart like no other, Nic does the unthinkable: she runs. Pregnant and alone, Nic eludes monstrous hunters, searching for a safe haven. But when Gabriel catches up to her, their adventure has only begun.
