But all that changes when a beautiful undead redhead walks through the door...and proceeds to rock Tommy's life—and afterlife—in ways he never thought possible. Now a limited Netflix series starring Zoe Saldana! This Reese Witherspoon Book Club Pick and New York Times bestseller is “a captivating story of love lost and found” (Kirkus Reviews) set in the lush Sicilian countryside, where one woman discovers the healing powers of food, family, and unexpected grace in her darkest hours. It was love at first sight when actress Tembi met professional chef, Saro, on a street in Florence. There was just one problem: Saro's traditional Sicilian family did not approve of his marrying a black American woman. However, the couple, heartbroken but undeterred, forged on. They built a happy life in Los Angeles, with fulfilling careers, deep friendships, and the love of their lives: a baby girl they adopted at birth. Eventually, they reconciled with Saro's family just as he faced a formidable cancer that would consume all their dreams. *From Scratch* chronicles three summers Tembi spends in Sicily with her daughter, Zoela, as she begins to piece together a life without her husband in his tiny hometown hamlet of farmers. Where once Tembi was estranged from Saro's family, now she finds solace and nourishment—literally and spiritually—at her mother-in-law's table. In the Sicilian countryside, she discovers the healing gifts of simple fresh food, the embrace of a close knit community, and timeless

traditions and wisdom that light a path forward. All along the way she reflects on her and Saro's romance—an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death—in Tembi Locke's case, it is both. "Locke's raw and heartfelt memoir will uplift readers suffering from the loss of their own loved ones" (Publishers Weekly), but her story is also about love, finding a home, and chasing flavor as an act of remembrance. From Scratch is for anyone who has dared to reach for big love, fought for what mattered most, and those who needed a powerful reminder that life is...delicious. Readers often think of Job sitting on the ash heap, his life in shambles. But how did he get there? What was Job's life like before tragedy struck? What did he think as his world came crashing down around him? And what was life like after God restored his wealth, health, and family? Through painstaking research and a writer's creative mind, Mesu Andrews weaves an emotional and stirring account of this well-known story told through the eyes of the women who loved him. Drawing together the account of Job with those of Esau's tribe and Jacob's daughter Dinah, Love Amid the Ashes breathes life, romance, and passion into the classic biblical story of suffering and steadfast faith. I've always heard that you should marry someone that loves you more than you love them - that if you do this, you'll always be happy. Did I follow that

advice? No. Am I happy? No. And is Finn happy? No. I'm stuck in a marriage with an ex-Marine suffering from PTSD. I'm not sure we're in love anymore. We have a baby who brings us both joy-but it's not enough. I feel like my life is crumbling around me and I'm struggling to keep the pieces together. Someone from my past has sauntered back in quietly, unknowingly. To my surprise, the attention is what I was craving. I have to make a decision. Do I stay and fight, or leave, when the idea of escape is beautiful and tempting? I'm always the one who loves more. Ever notice that sometimes a guy will do something really stupid, like let the love of his life slip through his fingers? Yeah. I'm that guy. But the moment I run into the woman I once loved madly, I've got one goal and one goal only--a second chance. The plan? Go big or go home. Fine, at first glance, stripping naked at my ex-girlfriend's place of work might not seem like the brightest way to win her heart again. But trust me on this count--she always liked me best without any clothes on. And you've got to play to your strengths when you're fighting an uphill battle. As a lawyer, I know how to fight, and I'm prepared to fight hard for her. Because sometimes you need a second chance at first love. "The other nannies in this city don't call him the Sexy One for nothing. My boss, the amazingly wonderful single father to the girl I take care of every day is ridiculously hot, like movie star levels with those arms, and those eyes, and that body. Not to mention, the way he dotes on his little girl melts me all over. But what really makes my knees weak are the times when his gaze lingers on me. In secret. When no one else is around."--Page 4 of cover. Maddie Chester is determined to leave her hometown of Gansett Island, a place that has brought her only bad memories and ugly rumors.
