**Return to Paradise** Dec 24 2019 What are the dimensions and patterns emerging in the culture of Hawaii today? Return to Paradise uses a sociological analysis to examine the structural, historical, interpersonal, and contemporary patterns present in the Hawaiian Islands. By focusing on both third and fourth generation Japanese-Americans, Wooden provides insight into the dimensions of "local" culture. Relying on first-hand accounts from college-age youths, Return to Paradise examines the subtle changes that have occurred in Hawaii's young people. Other issues explored include the fluctuating economic and social impact of tourism, and the presence of an emerging "global" identity. Wooden updates and expands the discussion presented in his earlier work, *What Price Paradise? Changing Patterns in Hawaii* (University Press of America, 1981).

**The Coming Hawaii** Oct 14 2021

**Hawaiian Mythology** Feb 06 2021 Ku and Hina-man and woman-were the great ancestral gods of heaven and earth for the ancient Hawaiians. They were life's fruitfulness and all the generations of mankind, both those who are to come and those already born. The Hawaiian gods were like great chiefs from far lands who visited among the people, entering their daily lives sometimes as humans or animals, sometimes taking residence in a stone or wooden idol. As years passed, the families of gods grew and included the trickster Maui, who snared the sun, and fiery Pele of the volcano. Ancient Hawaiian lived by the animistic philosophy that assigned living souls to animals, trees, stones, stars, and clouds, as well as to humans. Religion and mythology were interwoven in Hawaiian culture; and local legends and genealogies were preserved in

song,chant, and narrative. Martha Beckwith was thefirst scholar to chart a path through the hundreds of books, articles, andlittle-known manuscripts that recorded the oral narratives of the Hawaiianpeople. Her book has become a classic work of folklore and ethnology, and thedefinitive treatment of Hawaiian mythology. With an introduction by Katherine Luomala.

**The Arborescent Indigenous Legumes of Hawaii** Jan 25 2020

**Hawaii Under the Rising Sun** May 29 2020 “This lively, provocative study challenges the widely held belief that the Japanese did not intend to invade the Hawaiian Islands.” —Choice “A disquieting book, which shatters several historical illusions that have almost come to be accepted as facts. It will remind historians how complex and ambiguous history really is.” —American Historical Review

**Calvin Coconut: Hero of Hawaii** Apr 20 2022 Hawaii boy Calvin Coconut has come up with the best idea ever for his sister Darci's birthday party. But a huge tropical storm hits the islands and threatens everything. It rains and rains. And rains. The river next to Calvin's house rises high. When Calvin's friend Willy falls into the raging water, Calvin grabs his skiff to save him. As Willy is swept into the bay, Calvin struggles in the wild waves. What happens next shows

Calvin what heroes are made of.

All about Hawaii Sep 25 2022

*The Orphan Master's Son* Mar 02 2023 The son of a singer mother whose career forcibly separated her from her family and an influential father who runs an orphan work camp, Pak Jun Do rises to prominence using instinctive talents and eventually becomes a professional kidnapper and romantic rival to Kim Jong Il. By the author of *Parasites* Like Us.

**Hawaii** Nov 22 2019

**Shore Fishes of Hawaii** Mar 19 2022 This new edition of *Shore Fishes of Hawai'i* updates our knowledge of Hawaiian fishes and has been expanded to include 372 species. All are illustrated by the author's 475 superb photographs. The most important characteristics to identify a fish are given as well as the size attained and its distribution. Each species account begins with the American common name, followed by the Hawaiian name (when known), and the scientific name. Because it is necessary to use some scientific terminology when giving the principal diagnostic characteristics of families or species of fishes and what they eat, a handy glossary appears at the back of the book before the Index.

**Hawaii** Nov 27 2022 Pulitzer Prize-winning author James A. Michener brings Hawaii's epic history vividly to life in a classic saga that has captivated readers since its initial publication in 1959. As the volcanic Hawaiian Islands sprout from the ocean floor, the land remains untouched for centuries—until, little more than a thousand years ago, Polynesian seafarers make the perilous journey across the Pacific, flourishing in this tropical paradise according to their ancient traditions. Then, in the early nineteenth century, American missionaries arrive, bringing with

them a new creed and a new way of life. Based on exhaustive research and told in Michener's immersive prose, *Hawaii* is the story of disparate peoples struggling to keep their identity, live in harmony, and, ultimately, join together. **BONUS:** This edition includes an excerpt from James A. Michener's Centennial. Praise for *Hawaii* “Wonderful . . . [a] mammoth epic of the islands.”—The Baltimore Sun “One novel you must not miss! A tremendous work from every point of view—thrilling, exciting, lusty, vivid, stupendous.”—Chicago Tribune “From Michener's devotion to the islands, he has written a monumental chronicle of Hawaii, an extraordinary and fascinating novel.”—Saturday Review “Memorable . . . a superb biography of a people.”—Houston Chronicle

*More Incredible Hawaii* Dec 16 2021 A sequel to the classic *Incredible Hawaii* This illustrated text is packed with information about the Hawaiian Islands and is a delight for young readers and teacher alike. This Hawaiian culture and history book is the fruit of collaboration between author anthropologist Terence Barrow and artist-illustration Ray Lanterman. It is a worthy successor to their *Incredible Hawaii* published by the Charles E. Tuttle Company in 1974. The first book was received with enthusiasm by tourists, residents, and school readers of various grades. Teachers said it enlivened Hawaiian history. The fifty-two illustrated essays of *More Incredible Hawaii* are even more fascinating than the first series. It is an admirable companion to *Incredible Hawaii*.

**Fodor's Essential Hawaii** Nov 15 2021 For a limited time, receive a free Fodor's Guide to Safe and Healthy Travel e-book with the purchase of this guidebook! Check out Fodor's Oahu, Fodor's Big Island of Hawaii, Fodor's Kauai, and Fodor's Maui.

**Travels in Hawaii** Oct 22 2019 In 1899 a chartered yacht, the Casco, brought to Honolulu Robert Louis Stevenson and his family. The writer was then already at the height of his popularity in Europe and the United States. He spent the next six months and another, shorter period in 1893 in the Hawaiian Islands, participating in the life of the "royal crowd" and enjoying the best health of a lifetime plagued with illness. Travels in Hawaii brings together many of the diverse works from a romantic interlude in the career of this famous writer.

Hawaii to Da Max Mar 07 2021 A local style guide for visitors and newcomers.

**Hawaii's Story** Jul 31 2020

**New Pocket Hawaiian Dictionary** Feb 24 2020 In a compact and portable format, this dictionary contains more than ten thousand entries, a welcome chapter on grammar explained in non-technical terms, and a pronunciation guide.

**Hawaii's Religions** May 09 2021 This is a comprehensive guide to the diverse religious history of Hawaii. Beginning with the religion of ancient Hawaii, depicting the arrival of the first missionaries, and, religion by religion, covering each faith as it came to Hawaii, the author thoroughly describes the inception and harmonious development of Hawaiian religions. Christianity, Judaism, Japanese and Chinese Buddhism, Shinto, the new religions from Japan (such as Tenrikyo), Baha'ism, and other religions are discussed, their leaders indicated, and their present standing in Hawaii given. Hawaii's Religions fills a gap in the library of Hawaiian literature. As a textbook, as a reference book, or for pleasure reading, it cannot be welcomed by those interested in Hawaiian culture.

**National Geographic Traveler - Hawaii** Sep 13 2021 Highlights the history, culture, and contemporary life of Hawaii, while offering mapped walking and driving tours and complete visitor information.

Hawaii Jan 17 2022 "The book uses maps, full color photographs, and easy-to-read text to introduce the state of Hawaii"--

**Emma** Jun 22 2022 In her reign as queen, Emma both helped Kamehameha IV prevent the

extinction of the Hawaiian people during the end of colonial rule and dedicated much of her philanthropic efforts to Hawai'i's education and health care.

**Mr. Monk Goes to Hawaii** Apr 27 2020 Some people think Hawaii is paradise. But Monk knows that danger—like dirt—lurks everywhere. Look at Helen Gruber, the rich tourist who took a fatal blow from a coconut. The police say it fell from a tree, but Monk suspects otherwise. His assistant, Natalie, isn't exactly thrilled about Monk's latest investigation. It was bad enough that Monk followed her on vacation, and now it looks as though the vacation is over.... Smooth-talking TV psychic Dylan Swift is on the island and claims to have a message from beyond—from Helen Gruber. Monk has his doubts about Swift's credibility. But finding the killer and proving Swift a fraud—all while coping with geckos and the horror of unsynchronized ceiling fans—may prove a tough coconut to crack....

**The Secrets and Mysteries of Hawaii** Jan 29 2023 Hawaii -- a place all the world knows as paradise and one of the most remote places on earth -- may hold a clue for all humanity during our very defining moment in history. Pila explains why Hawaii is the crossroads of all our mysteries. The Hawaiian people, their legends and culture, even the location of the islands themselves hold a key that could unlock a giant door and reveal the path to our future. Pila of Hawaii will take you on a journey through time and captivate your soul with the life-transforming power that the islands' sacred sites, folklore and myths bring to those who are willing to seek it. Whether you are planning a trip to this tropical paradise or searching for greater insights into your own spirit, this book will open you to a world of exquisite beauty and power.

**Lonely Planet Best of Hawaii** Apr 08 2021

The Legends and Myths of Hawaii Aug 24 2022

**Captive Paradise** Aug 12 2021 The most recent state to join the union, Hawaii is the only one to have once been a royal kingdom. After its "discovery" by Captain Cook in the late 18th Century, Hawaii was fought over by European powers determined to take advantage of its position as the crossroads of the Pacific. The arrival of the first missionaries marked the beginning of the struggle between a native culture with its ancient gods, sexual libertinism and rites of human sacrifice, and the rigid values of the Calvinists. While Hawaii's royal rulers adopted Christianity, they also fought to preserve their ancient ways. But the success of the ruthless American sugar barons sealed their fate and in 1893, the American Marines overthrew Lili'uokalani, the last queen of Hawaii. James L. Haley's *Captive Paradise* is the story of King Kamehameha I, The Conqueror, who unified the islands through terror and bloodshed, but whose dynasty succumbed to inbreeding; of Gilded Age tycoons like Claus Spreckels who brilliantly outmaneuvered his competitors; of firebrand Lorrin Thurston, who was determined that Hawaii be ruled by whites; of President McKinley, who presided over the eventual annexation of the islands. Not for decades has there been such a vibrant and compelling portrait of an extraordinary place and its people.
