Each page features easy-to-do activities that promote instant word recognition and reading comprehension. All of the workbooks include flash cards to reinforce skills. Give your child essential practice for school success with the Words to Know series

**Math Workbook Grade 1** May 29 2020 We believe kids get better at math with practice, resulting in confidence and positive attitude towards math that is required to excel in school. This workbook provides kids with additional math practice that reinforces and complements what is taught at school. There are no pictures or word problems, and focus on mastery of basic addition and subtraction. This workbook combines traditional addition and subtraction math problems, with number bond problems. Many elementary schools teach math using Number Bonds, and we want kids to have practice on both traditional math questions and number bonds to build fluency and speed in basic arithmetic.

**Common Core Math 4 Today, Grade 1** Jan 25 2020 This is a perfect supplement to any classroom math curriculum. The book covers 40 weeks of daily practice. It includes 4 math exercises a day for four days a week. A separate assessment is included with every exercise.
