Watch a 700-year history unfold, from the medieval "hand-gonne" to today's technologically advanced assault weapons. Discover how gun design influenced warfare, from the 15th century when the arquebus defeated swordsmen, to the 20th century when the submachinegun gave the military vastly increased firepower. *Guns: A Visual History* shows in unique visual detail on how gun design evolved. It features more than 300 iconic examples, including the military AK-47 assault rifle and the pistol used by many police forces - the Glock 17. Each weapon is shown in close up with details of its design, barrel, calibre, and firepower. This comprehensive volume also features sporting guns, anti-tank weaponry and concealed assassin spy guns, such as the umbrella gun that killed Georgi Markov in 1978. It takes you inside iconic firearm firms such as Biretta, Colt and Lee Enfield, and tells stories of infamous sharpshooters from Dick Turpin to Al Capone. Whether you collect firearms or enjoy field sports and military history, *Guns: A Visual History* is an unmissable reference title.

THE STORY: Owner of the largest ranch in his part of Wyoming, Jepson Heath is a proud and determined man. He manages his affairs with a firm hand, including the engagement of his beautiful daughter, Letty. The only man Jepson considers to be good e The story of a mustang colt, Gray Dawn, and his journey to become a strong and dependable stallion. Gray Dawn's passage from a wild and frightened colt into a stallion with a herd of his own, and his adventures along the way, makes for fascinating reading for young adults. Shirlene Dalton has it all: a dream marriage to a man who spoils her rotten and the most outrageous mansion Bramble, Texas, has ever seen. But when her husband unexpectedly dies, Shirlene finds herself right back where she started-in a rundown trailer on the wrong side of the tracks. Never the type to let a little bad luck and a whole heap of heartache get her down, Shirlene is ready to prove to the local gossips she can make it on her own . . . until she ends up living next door to the most tempting cowboy in town. Billy Wilkes has a score to settle and a plan to wipe Bramble right off the map. But when his sexy, redheaded neighbor figures out what he's up to, his good ol' boy charm won't be enough to save him. With the town on his tail, Billy will have to come clean quick-or kiss Shirlene goodbye. A well-trained, responsive, and intelligent working cow horse is more than just a pleasure to ride or watch in action; such an animal is an integral part--a prized employee, if you will--of a ranch's workforce. How to find and then educate the horse to work cattle in pens and on the range, to negotiate a variety of terrains, and perform all the other tasks it will be asked to do (under a variety of often adverse conditions) is the subject of this handy guide. For example: Being able to open a gate from horseback is a mandatory job for any cowboy. A good place to introduce the young horse to this experience is by using a gate set up as part of an obstacle course. It is desirable and safer if the gate can swing freely and is without any attachments. Start by simply walking your horse through the gate when it's open. Reaching down and

gently swinging the gate as you pass through it is the next step. If your horse is a little spooked by your reaching down, be aware that horses are naturally afraid of tight places. Once your horse can pass through an open gate, then attempt to open a closed gate. Be sure your horse fully understands your hand and leg cues before attempting this step, because he must be able to move off your leg to stand next to the fence, move toward the fence as it swings open to let you pass through, and then move around so you can close it. Written by an experienced rancher and horse trainer, 101 Ranch Horse Tips will show you how to start a young horse or improve an older one with techniques that can apply to performance and enjoyment on or beyond the cattle ranch.

A princess shows her father the importance of freedom and love when he tries to capture a silver colt that is dear to her. A fast-paced, sexy motorcycle club romance featuring a heroine who keeps her man on his toes, an alpha who's not afraid of a feisty woman, and a whole lot of MC action. Throw in a crazy club president whose woman has gone missing, fun Stormgirl antics, and a catch-up with all the Storm couples, and you've got the ending to a series that will make you laugh, swoon, and smile big over everyone's HEA.

Echo Kade is having a bad year. She's dealing with a divorce, a bank balance that looks suspiciously like \$0, way too many speeding tickets, and a mother who has decided to move across the world. No mother should ever think it's okay to move across the damn world. Echo is ready to sell off her belongings, join a commune, and contemplate the pros and cons of celibacy. But first, she has to help the president of the Sydney Storm MC find his old lady who has gone missing. And that involves working with Colton Creed, a biker built for sin. A biker who opens doors for women, picks up after himself, and knows his way around that part of a woman that all men should know their way around. Suddenly, her year is looking a whole lot better. Celibacy? What even is that?

Fourth-grader Ellie James and her horse, Dream, are best friends forever. But when her human best friend, Colt, starts acting strange, Ellie determines to fix his problem. She tries to find the perfect horse for Colt. But how? Ellie's brother is struggling to stay on his baseball team, her father is fighting to hold onto his job at the Jingle Bells Ad Agency, and her mother is volunteering at the cat farm and the worm ranch . . . so, Ellie is on her own. Or is she . . . ? Join Ellie and Colt in their exciting, horse-loving adventures. Someone in Malibu is murdering hot blondes. Who better to solve the crime than two hot redheads? Twin sisters Kerry and Terry McAfee are well on their way to becoming Los Angeles's most notorious P.I.s. With their bright red hair, canine sidekicks, and preferred mode of transportation--a hot pink Harley--the girls are quickly getting a reputation for more than just sleuthing skills. So after nabbing the Butcher of Beverly Hills, they decide to take some time off and lay low for awhile. But then the girls' rich Aunt Reba calls with the news that she's found a decapitated body in her new Malibu beach house. Kerry insists that they call the police--partly because she hopes to catch a glimpse of her former flame, the hunky Detective John Boatwright. But no sooner do the cops begin investigating than Reba and the girls are shocked by the arrival of their Cousin Robert--carrying a blond-haired head in a mesh bag with no memory of where he's been. Now it's up to the twins to find the real killer, as Reba and Robert face the prospect of life behind bars. As they search for clues, Kerry and Terry find themselves dealing with Mafia movie producers, wacko cultists, has-been actresses, and even visitors from outer space. With a razor-sharp wit that brilliantly brings to life L.A.'s most eccentric personalities, *The Mangler of Malibu Canyon* is fast-paced, sexy, and more fun than a ride down the Pacific Coast Highway.

Colt Lawless is on the run, suddenly famous, and more than a little superhuman. But can he save the last animals on earth? Caruso, the singing gibbon, has been sneaking out of his cage at night, and Colt thinks he knows why. Ever since he joined the Lost World Circus, he's been able to do all kinds of impossible things. He can understand animals, pick up an elephant and catch a helicopter. But is Colt strong enough to face what happens when he tries to set Caruso free once and for all? An electrifying new series from Justin D'Ath, author of the bestselling *Extreme Adventures*. Through one man's career, "Colt Terry, Green Beret" portrays the birth and development of America's most elite fighting unit. The

10th Special Forces Group was the first of the Green Beret units. Outlines the writing, orchestration and production of the author's musical play *The Catch Colt*. Photographs and text provide step-by-step instructions for breaking a colt, covering facilities and equipment, leading, longeing, first saddling, driving, and many other topics. A collection of poems written from the author as an early teen up to in his thirties. Some poems on life, some on death, some on love and some just because. "But the struggle bears no fruit when my ruminations are lost in another desert, bees sting because they have gone mad from lack of the poet's pollen, the swarm becoming enraged as I dig up my weapon of war from the dungeon's rank floor. All smiles find me, except those of my enemies, when I carry the jackal's sun-bleached jawbone. Defeat is sudden, from the bowels of victory or the miscarriage of it. When we sleep our dreams cannot demarcate either, for sweet chimeras are only roused by the bee's poison swelling from the fever." Haunted by heartache, wrangler Jake Hawthorne has taken a job catching wild horses in Montana. But his quest to bring in a magnificent thoroughbred pits him against an unusual rustler. Having escaped her vengeful ex-husband, Clea Mathison is trying to live life on her own terms. Then her beloved mare runs off, setting her on a journey far from the privileged world she knows and on the run from the law. Forced to depend on each other, Jake and Clea discover a strength together that they've never known alone. But when faced with an impossible choice, will Jake give up everything for the woman he's grown to love? A follow-up to the childhood classic *My Friend Flicka*. "That rare achievement, a sequel to a great and richly deserved success that in no way falls short of its distinguished predecessor . . . a fine and singing story."--New York Times Suddenly Ken heard the sound of horses coming near the house and started up so quickly that the leg of his chair tangled with the leg of the table and he went sprawling on the floor, then scrambled up and over to the window. . . . Ken leaned out the window as far as he could to see the last of them as they went down the Green, just jog-trotting . . . "Ken . . . what are you doing?" He scurried back to the table and made it true before he answered, "I'm doing my arithmetic." It seems Ken can't do anything right. He loses saddle blankets and breaks reins . . . but then comes the worst news yet: a report card so bad that he has to repeat a grade. How can you tame the dreamy mind of a boy who stares out of the window instead of taking an exam? Enter Flicka, the chestnut filly with a wild spirit. Over the course of one magical summer, both will learn the meaning of responsibility, courage, and, ultimately, friendship. In the first spring of his life, a little colt learns about jealousy and friendship. The autobiography has not always been acknowledged as true literature. Since 1970, however, American memoirs have revealed themselves as a respectable literary genre, distinct with an inimitable literary voice and a unique capacity to intersect narration and reflection. This study focuses critical attention on ten memoirs from the northern U.S. Rockies, including Utah, Colorado, Wyoming, Montana, and Idaho. By comparing memoirs representing states that share similar demographic, ecological, and socio-economic characteristics, this historic and literary analysis reveals both commonalities and divergences among American Western memoirs. Each chapter compares two books of similar thematic concerns, ranging from regional values and rural evolution to dynamic landscapes and the experiences of American Indians. This book is a reflection of my heritage with horses. It comes from both sides of the saddle, so to speak, because both of my grandfathers were excellent horsemen. One grandpa was Cherokee and rode with the Kiowa horsemen in the early days of Indian Territory. They call it Oklahoma today. He gave credit to the Kiowa people for our unique way of working with a mare in-foal in order to blend our spirit with the foal. My other grandpa was an early day cattleman in Indian Territory and was known for his good-minded cutting and roping horses. I was blessed to have been born into this rich mix of horse and cow savvy. As a kid I was careful to take the best of both worlds, the Indian World and the Cowboy World, and develop my way of working with horses. The horses and mules like it. The day-to-day steps of working with the foal and mare ensured a lifetime of harmony with that horse. Each of the 37 chapters takes the reader or rider through each

progressive training phase, emphasizing the easy, patient way the movements should be presented to the horse. The spirit blending starts with the mare first then progresses to the unborn foal. This special attention is continued right through the birthing process with the highlight coming at two years of age when the young horse is ridden for the first time. The foal is first taught to lead and "soft" tie at one and two days old. By the time it reaches two years of age it has been taught to readily load into a trailer, stand tied, yield to rope pressure from each leg, stand tied with a snubbed down head, back on voice and body cues, and to be ground led across country as well as ponyied from the mare. I term the essential ingredient of my technique, once the foal is born, "assurance pressure". It creates a sound foundation and willing mind in a horse. It is the glue that holds the spiritual blend together. It lasts for a lifetime with your horse. Praise for Spirit Blending Foals Before and After Birth, An Old Way Continued Dear Mr. Wadley: I LOVE your book Spirit Blending Foals Before and After Birth, An Old Way Continued. It is a priceless bit of Western History, and horsemanship, and equine behavior... Robert M. Miller, D.V.M. (Thousand Oaks, CA) The joy of first-time big-league baseball experience is the fulfillment of countless childhood dreams, imagining glorified moments of grandeur. My first taste of major-league fan adulation made me feel good, and I wanted more, even for just another moment. The enthusiasm with which the sportscaster mentioned my name, along with details of my first game exploits, slowed only after his summation conferred upon me the unofficial major-league batting title. The 1963 baseball season As a sequel to "Swithback" The Usher picks up where the story ends. Colt is led down a rough road and it seems that there is nowhere to turn for safety and comfort. He must prove his innocence, while trying hard not to reveal his true identity. In "Catch a Falling Star" a young boy named Fish begins to experience feelings of anxiety and confusion. It feels like his brain is very busy and noisy. Fish feels scared when this happens and it gets worse when he goes to school. Fish meets Iris the Dragon and learns techniques to help him relax and understand that his parents and doctors can help. This is a story about a boy who has a variety of symptoms that could be considered "red flags" in a child's emotional and social development. The catch colt, George Jefferson, trying to learn about his past, encounters love and hate in Sheridan The classic story of an aimless teenager, a demanding father, and an spirited horse -- now a major motion picture from Twentieth Century Fox A daydreamer and a time waster, young Ken McLaughlin spends his days on his family's Wyoming ranch with his head in the clouds, surrounded by endless blue skies, wide-open spaces, and beautiful horses. To his brusque, practical father, the boy is an enigma and a disappointment. Then one day, Ken's life is filled with new purpose when he finds Flicka, a magnificent filly as wild as she is fast. Though the strong bond between boy and horse only fuels his father's disdain, Ken's growing love for his friend Flicka is changing him -- leading a once-aimless young man down the path to responsible adulthood, forging a new respect and understanding between father and son, and inspiring a fierce loyalty that nearly costs Ken his life. Eventually Larson found his father, but he first found himself, and that took more time and trouble. Along the way he experienced schools that didn't like Indians and career counselors eager to diminish his expectations. He also found friends to box, to play baseball with, and to drink with. Whitey and his cousin Josie set off to capture an old wolf that's been injuring colts. With their father, there's always a catch . . . Colt Jensen and his younger brother Bastian have moved to a new, working-class suburb. The Jensons are different. Their father, Rex, showers them with gifts - toys, bikes, all that glitters most - and makes them the envy of the neighbourhood. To Freya Kiley and the other local kids, the Jensons are a family from a magazine, and Rex a hero - successful, attentive, attractive, always there to lend a hand. But to Colt he's an impossible figure in a different way: unbearable, suffocating. Has Colt got Rex wrong, or has he seen something in his father that will destroy their fragile new lives? Sonya Hartnett's new novel for adults is an unflinching and utterly compelling work from one Australia's finest writers. 'Golden Boys has a line-by-line brilliance that is startling ... [Hartnett] is one of Australia's most penetrating analysts of the travail

and turmoil of families, especially as witnessed and suffered by the young.' Weekend Australian 'Sonya Hartnett is that rarest and most precious of writers: a reverse Peter Pan.' Saturday Paper 'A web in which it is a pleasure to become entangled.' Saturday Paper 'Succinct and vivid.' The Age 'A fine portrait of the charming predator.' West Australian 'An absorbing, fiercely elegant and tangibly believable novel that raises questions about our responsibility to bear witness - and details the complex obstacles to doing so.' Australian Book Review Why is the mysterious mustang colt circling the tombstone on the outskirts of Gold Hill, Nevada? What haunts this small, wild horse that has been sighted for over a hundred years? Twelve-year-old Paige, and her best friend, Meggie are determined to find out, but a teenage drifter named Brooks involves them in an even more perilous web of high-stakes danger and intrigue. Is this ranch hand a mustanger involved in an illegal horse smuggling operation intent on capturing the wild horses? The Ghostowners soon find out. A young couple leaves Ohio for the promise of a new life on the Kansas plains. They settle a prime tract of farm land near Lawrence, Kansas. A second young couple slips the bonds of slavery in Missouri. Circumstance brings them together. Set against the backdrop of a nation divided over the issue of slavery, the young settlers fight to hold their land and realize the future that unites them. Opposed by powerful forces they face human treachery, hostile Indians, prejudice, and a bloody, burning prelude to war as they battle to hold a hard-won home and fulfill the promises of their future. Sycamore Promises is a sweeping personal saga told with attention to history so as to both entertain and inform. Parker Smith and Joe Dan Peters are fourteen-year-old cowboys and best friends. They are out of school for the summer and looking forward to many cowboy adventures in the New Mexico ranch country that is their home. Parker's summer begins with the birth o
