Odd Boy Out Dec 29 2020 When he was born, Albert was a peculiar, fat baby with an unusually big and misshaped head. When he was older, he hit his sister, bothered his teachers, and didn't have many friends. But in the midst of all of this, Albert was fascinated with solving puzzles and fixing scientific problems. The ideas Albert Einstein came up with during his childhood as an odd boy out were destined to change the way we know and understand the world around us . . .

Easter in Ramallah Feb 28 2021 A story that reflects the tradition of celebrating Easter holiday that was carried on for years and takes the reader to a fun festive place that is filled with a colorful atmosphere, drums playing, love and laughter from the eye of a child.

I Wish You Happiness Sep 25 2020 Filled with endless heartfelt wishes and beautifully cute illustrations, I Wish You Happiness is an inspiring book of hope and happiness for wishers of all ages. This timeless book is a truly thoughtful gift for any occasion.

Dream Messenger Oct 15 2019 A wealthy woman hires a beauty-queen-turned-securities-analyst to find her lost son--now a "professional friend" who visits people's dreams.

Injustice Dec 21 2022 The author chronicles his 2013 investigation and findings surrounding the 2004 U.S. federal arrest and subsequent trials and sentencing of the "Holy Land Foundation Five."

The Unofficial Holy Bible for Minecrafters: Old Testament Nov 20 2022 Minecraft has taken the gaming world by storm. Parents of children who play Minecraft will love this fun, educational collection of Bible stories. With the world of Minecraft as a backdrop using vivid, full-color screenshots, this book allows children to experience the Bible as never before. Authors Christopher Miko and Garrett Romines are teachers who have used Minecraft to create imaginative worlds in their classrooms. Now, they have created Bible stories with virtual blocks to produce vibrant, 3-D worlds filled with adventure and astonishing imagination. With fascinating scripture and narrative simplified to teach young readers the most powerful stories ever told, this is the perfect gift. The images created feature not only magnificent, vast terrains often found in Minecraft but also artfully re-created Bible characters, such as Adam and Eve, and superb designs of Noah's ark. Engaging stories including the Tower of Babel and the story of David and Goliath are here. With more than 250 images, young readers will explore the story of creation, the journey of Abraham, Moses's great journey, Jonah and the whale, and more! The Unofficial Holy Bible for Minecrafters: Old Testament makes the Bible more entertaining, engaging, and accessible for children than ever!

A History of Palestine Oct 19 2022 Krämer focuses on patterns of interaction amongst Jews and Arabs (Muslim as well as Christian) in Palestine, an interaction that deeply affected the economic, political, social, and cultural evolution of both communities under Ottoman and British rule.

Fast Times in Palestine Jul 16 2022 For much of her life—like many Westerners—most of what Pamela Olson knew of the Middle East was informed by headlines and stereotypes. But when she traveled to Palestine in 2003, she found herself thrown with dizzying speed into the realities of Palestinian life. *Fast Times in Palestine* is Olson's powerful, deeply moving account of life in Palestine—both the daily events that are universal to us all (house parties, concerts, barbecues, and weddings) as well as the violence, trauma, and political tensions that are particular to the country. From idyllic olive groves to Palestinian beer gardens, from Passover in Tel Aviv to Ramadan in a Hamas village, readers will find Olson's narrative both suspenseful and discerning. Her irresistible story offers a multi-faceted understanding of the Palestinian perspective on the Israel–Palestine conflict, filling a gap in the West's understanding of the difficult relationship between the two nations. At turns funny, shocking, and galvanizing, *Fast Times in Palestine* is a gripping narrative that challenges our ways of thinking—not only about the Middle East, but about human nature, cultural identity, and our place in the world.

My Money My Way Feb 11 2022 Does fear and insecurity keep you from looking at your bank account? Is your financial anxiety holding you captive? You don't have to stress about money anymore. YOU can take back control. As a newly divorced single mom making \$24,000 per year and facing down \$77,000 in debt, Kumiko Love worried constantly about money. She saw what other moms had—vacations, birthday parties, a house full of furniture—and felt ashamed that she and her son lived in a small apartment and ate dinner on the floor. Worse, when her feelings began to exhaust her, she binge-shopped, reasoning that she'd feel better after a trip to the mall. On the day she needed to pay for a McDonald's ice cream cone without her credit card, she had an epiphany: Money is not the problem. Self-Doubt is the problem. Shame is the problem. Guilt is the problem. Society's expectations for her are the problem. She is the solution. Once she reversed the negative thinking patterns pushing her toward decisions that didn't serve her values or goals, her financial plan wrote itself. Now, she's not only living debt-free in her dream home, which she paid for in cash, but she has spread her teachings around the world and helped countless women envision better lives for themselves and their families. Now, building on the lessons she's taught millions as the founder of The Budget Mom, she shares a step by step plan for taking control back over your financial life—regardless of your level of income or your credit card balance. Through stories from navigating divorce to helping clients thrive through recessions, depression, eviction, layoffs and so much more, you will learn foundational practices such as: How to use your emotions to your financial advantage, instead of letting them control you How to create a budget based on your real life, not a life of self-denial How to create a motivating debt pay-off plan that makes you excited about your future, instead of fearing it My Money My Way will give you the tools to align your emotional health with your financial health—to let go of deprivation and embrace desire. Love's paradigm-shifting system will teach you how to honor your unique personal values, driving emotions, and particular needs so that you can stop worrying about money and start living a financially fulfilled life.

Mornings in Jenin Apr 20 2020 A heart-wrenching novel explores how several generations of one Palestinian family cope with the loss of their land after the 1948 creation of Israel and their subsequent life in Palestine, which is often marred by war and violence. A first novel. Reprint. Reading-group guide included.

Lucid Dreaming Sep 06 2021 "In these engaging, challenging and beguiling dialogues, Pamela Cohn expertly draws from her subjects, personal biography and conceptual intent, process and nearly subconscious motivation, personal revelation and political mission. The result is a work that not only provides a road map to the furthest regions of cinematic possibility in the early 21st century but one whose spirited back-and-forth inspires the reader to think anew about artistic possibility." —Scott Macaulay, editor-in-chief of *Filmmaker Magazine* "Pamela Cohn has curated and conducted a series of interviews that simultaneously invite you to turn the page, and pause for a moment of reverie. Her interviews furrow the grounds where sensibilities become cinema, and attitudes become forms." —Luke Moody *Lucid Dreaming* is an unprecedented global collection of discussions with documentary and experimental filmmakers, giving film and video its rightful place alongside the written word as an essential medium for conveying the most urgent concerns in contemporary arts and politics. In these long-form conversations, film curator and arts journalist Cohn draws out the thinking of some of the most intriguing creators behind the rapidly developing movement of moving-image nonfiction. The collection features individuals from a variety of backgrounds who encounter the world, as Cohn says, "through a creative lens based in documentary practice." Their inspirations encompass queer politics, racism, identity politics, and activism. The featured artists come from a multiplicity of countries and cultures including the U.S., Finland, Serbia, Syria, Kosovo, China, Iran, and Australia. Among those Cohn profiles and converses with are Karim Aïnouz, Khalik Allah, Maja Borg, Ramona Diaz, Samira Elagoz, Sara Fattahi, Dónal Foreman, Ja'Tovia Gary, Ognjen Glavonic, Barbara Hammer, Sky Hopinka, Gürcan Keltek, Adam and Zack Khalil, Khavn, Kaltrina Krasniqi, Roberto Minervini, Terence Nance, Orwa Nyrabia, Chico Pereira, Michael Robinson, J. P. Sniadecki, Brett Story, Deborah Stratman, Maryam Tafakory, Mila Turajlic, Lynette Wallworth, Travis Wilkerson, and Shengze Zhu. Can nonfiction film be defined? How close to reality can or should documentary storytelling be, and is film and video in its less restrictive iterations "truer" than traditional narratives? How can a story be effectively conveyed? As they consider these and many other questions, these passionate, highly articulate filmmakers will inspire not only cinema enthusiasts, but activists and artists of all stripes.

The Last Taxi Driver Nov 08 2021 A Kirkus Best Book of 2020 "A wild, funny, poetic fever dream that will change the way you think about America." —George Saunders Hailed by George Saunders as "a true original—a wise and wildly talented writer," Lee Durkee takes readers on a high-stakes cab ride through an unforgettable shift. Meet Lou—a lapsed novelist, struggling Buddhist, and UFO fan—who drives for a ramshackle taxi company that operates on the outskirts of a north Mississippi college town. With Uber moving into town and his way of life vanishing, his girlfriend moving out, and his archenemy dispatcher suddenly returning to town on the lam, Lou must finish his bedlam shift by aiding and abetting the host of criminal misfits haunting the back seat of his disintegrating Town Car. Lou is forced to decide how much he can take as a driver, and whether keeping his job is worth madness and heartbreak. Shedding nuts and bolts, *The Last Taxi Driver* careens through highways and back roads, from Mississippi to Memphis, as Lou becomes increasingly somnambulant and his fares increasingly eccentric. Equal parts Bukowski and Portis, Durkee's darkly comic novel is a feverish, hilarious, and gritty look at a forgotten America and a man at life's crossroads.

Kuma Miko Volume 1 Jul 04 2021 Machi is 14 years old and has spent her whole life in the Touhoku Mountains as a miko. Raised alongside a talking bear, Natsu, she knows nothing of modern life. But, she's enthralled with its mysteries and determined to figure them out. Natsu attempts to prepare her for the trials and tribulations she will face entering the fast-paced city in this comical coming of age story of a backwoods girl in Japan.

The Beginning After The End Jan 30 2021 I had to accept that I wasn't just Arthur Leywin anymore, and that I could no longer be limited by the circumstances of my birth. If I was going to escape, if I was going to go toe-to-toe with the most powerful beings in this world, I needed to push myself to my utmost limit...and then I needed to push even further. After nearly dying as a victim of his own strength, Arthur Leywin wakes to find himself far from the continent where he was born for the second time. Alone, broken, and with no way to tell his family he's alive, Arthur must rebuild his strength to survive. As he ascends through an ancient dungeon filled with hostile beasts and devious trials, he discovers an ancient, absolute power - a power that will either ruin him or take him to new heights. But the dungeon won't give up its

knowledge easily. Before he can plunder its depths, Arthur must learn to untangle the threads of fate. He must band together with the unlikeliest of allies if he hopes to escape with his life.

Justice for Some May 02 2021 Justice in the Question of Palestine is often framed as a question of law. Yet none of the Israel-Palestinian conflict's most vexing challenges have been resolved by judicial intervention. Occupation law has failed to stem Israel's settlement enterprise. Laws of war have permitted killing and destruction during Israel's military offensives in the Gaza Strip. The Oslo Accord's two-state solution is now dead letter. Justice for Some offers a new approach to understanding the Palestinian struggle for freedom, told through the power and control of international law. Focusing on key junctures—from the Balfour Declaration in 1917 to present-day wars in Gaza—Noura Erakat shows how the strategic deployment of law has shaped current conditions. Over the past century, the law has done more to advance Israel's interests than the Palestinians'. But, Erakat argues, this outcome was never inevitable. Law is politics, and its meaning and application depend on the political intervention of states and people alike. Within the law, change is possible. International law can serve the cause of freedom when it is mobilized in support of a political movement. Presenting the promise and risk of international law, Justice for Some calls for renewed action and attention to the Question of Palestine.

The Palestine Nakba Aug 17 2022 2012 marks the 63rd anniversary of the Nakba - the most traumatic catastrophe that ever befell Palestinians. This book explores new ways of remembering and commemorating the Nakba. In the context of Palestinian oral history, it explores 'social history from below', subaltern narratives of memory and the formation of collective identity. Masalha argues that to write more truthfully about the Nakba is not just to practise a professional historiography but an ethical imperative. The struggles of ordinary refugees to recover and publicly assert the truth about the Nakba is a vital way of protecting their rights and keeping the hope for peace with justice alive. This book is essential for understanding the place of the Palestine Nakba at the heart of the Israel-Palestine conflict and the vital role of memory in narratives of truth and reconciliation.

The 20th Century Children's Book Treasury Aug 25 2020 Unparalleled in scope and quality and designed for reading aloud and sharing, this splendid anthology brings together some of the most memorable and beloved children's books of our time. Here are classics such as *Madeline* and *Curious George*; contemporary bestsellers such as *Guess How Much I Love You* and *The Stinky Cheese Man*; Caldecott Medal winners such as *Make Way for Ducklings* and *Where the Wild Things Are*; and family favorites such as *Goodnight Moon*, *The Sneetches*, *Winnie-the-Pooh*, and *Alexander & The Terrible, No Good Very Bad Day*, soon to be a motion picture. The selections range from concept books and wordless books to picture books and short read-aloud stories, and represent the complete array of childhood themes and reading needs: ABCs, number and color books, stories about going to bed and going to school; tales about growing up, siblings, parents, and grandparents; animal stories, fantasies; fables; magical stories; stories about everyday life--and more. This beautiful edition includes a recommended list of books published in the time since this anthology's original compilation, including Caldecott Honors *Don't Let the Pigeon Drive the Bus!* and *Olivia*, with descriptive annotations intended to guide parents to these new books and new voices of the 21st century. Also included are an introduction from editor Janet Schulman, capsule biographies of the 62 writers and artists represented in the collection, color-coded running heads indicating age levels, and indexes. As a gift, a keepsake, and a companion in a child's first steps toward a lifelong love of reading, *The 20th Century Children's Book Treasury* belongs in every family's bookcase.

She Said It's Your Child 2 Oct 07 2021 How far would you go to have your heart's desires? What if the true love you wanted came with a price? How much would you pay? Darica's world is turned upside down as she becomes aware that her desires, her husband's selfishness, and her lover's past have created a perfect storm that leaves her knocking on death's door. But realizing the error of her ways won't turn back the hands of time and undo the unthinkable things she did to get to this point. Rolanda thought she had raised her sons to value women, unlike their abusive, cheating father. She even married another man to give them a better life. She learns, however, that DNA plays a major role in relationships, and family ties are hard to break. Nolan and Dolan don't know it, but the one woman who holds the key to their hearts is fighting for her life. There are choices to make, secrets to reveal, and enemies waiting in the wings.

Miko Jan 10 2022 When Miko learns that he and his toy animal share the same birthday, Miko gives him the perfect gift.

The General's Son Jan 22 2023 A powerful account, by Israeli peace activist Miko Peled, of his transformation from a young man who'd grown up in the heart of Israel's elite and served proudly in its military into a fearless advocate of nonviolent struggle and equal rights for all Palestinians and Israelis. His journey is mirrored in many ways the transformation his father, a much-decorated Israeli general, had undergone three decades earlier. Alice Walker contributed a foreword to the first edition in which she wrote, "There are few books on the Israel/Palestine issue that seem as hopeful to me as this one." In the new Epilogue he takes readers to South Africa, East Asia, several European countries, and the West Bank, Gaza, and Israel itself.

We Ride the Storm Oct 27 2020 'Highly recommended' John Gwynne 'Madson is an exciting new author in fantasy' Mark Lawrence 'A complex tale of war, politics and lust for power' Guardian AS AN EMPIRE DIES, THREE WARRIORS WILL RISE. THEY MUST RIDE THE STORM OR DROWN IN ITS BLOOD. The kingdom of Kisia is divided, held together only by the will of the god-emperor. When an act of betrayal shatters an alliance with the neighbouring land of Chiltae, all that has been won comes crashing down. Now, as the fires of war spread, a warrior, an assassin and a princess must chase their ambitions, no matter the cost. War built the Kisian Empire. And now war will tear it down. 'A visceral, intriguing, intense and emotionally charged ride' Grimdark Magazine 'Breathtakingly triumphant . . . it has become one of my favourite books of all time' Novel Notions 'Buckle your seatbelts and prepare for a hell of a ride' Fantasy Book Critic 'Complex and immersive . . . doesn't let go until the final electrifying pages' Fantasy Book Review Books by Devin Madson *The Reborn Empire We Ride the Storm We Lie with Death* (coming Jan '21) *The Vengeance Trilogy The Blood of Whisperers The Gods of Vice The Grave at Storm's End*

You, Your Child, and School Mar 20 2020 An essential book for parents to help their children get the education they need to live happy, productive lives from The New York Times bestselling author of *The Element* and *Creative Schools* Parents everywhere are deeply concerned about the education of their children, especially now, when education has become a minefield of politics and controversy. One of the world's most influential educators, Robinson has had countless conversations with parents about the dilemmas they face. As a parent, what should you look for in your children's education? How can you tell if their school is right for them and what can you do if it isn't? In this important new book, he offers clear principles and practical advice on how to support your child through the K-12 education system, or outside it if you choose to homeschool or un-school. Dispelling many myths and tackling critical schooling options and controversies, *You, Your Child, and School* is a key book for parents to learn about the kind of education their children really need and what they can do to make sure they get it.

The General's Son Feb 23 2023 A powerful account, by Israeli peace activist Miko Peled, of his transformation from a young man who'd grown up in the heart of Israel's elite and served proudly in its military into a fearless advocate of nonviolent struggle and equal rights for all Palestinians and Israelis. His journey is mirrored in many ways the transformation his father, a much-decorated Israeli general, had undergone three decades earlier. Alice Walker contributed a foreword to the first edition in which she wrote, "There are few books on the Israel/Palestine issue that seem as hopeful to me as this one." In an Epilogue Peled takes readers to South Africa, East Asia, many European countries, and the West Bank, Gaza, and Israel itself. And in the new Preface to the 10th Anniversary Edition he reflects on the growth of the Palestinian-rights movement since he published the first edition of this work, in 2012.

Palestine Dec 09 2021 This rich and magisterial work traces Palestine's millennia-old heritage, uncovering cultures and societies of astounding depth and complexity that stretch back to the very beginnings of recorded history. Starting with the earliest references in Egyptian and Assyrian texts, Nur Masalha explores how Palestine and its Palestinian identity have evolved over thousands of years, from the Bronze Age to the present day. Drawing on a rich body of sources and the latest archaeological evidence, Masalha shows how Palestine's multicultural past has been distorted and mythologised by Biblical lore and the Israel-Palestinian conflict. In the process, Masalha reveals that the concept of Palestine, contrary to accepted belief, is not a modern invention or one constructed in opposition to Israel, but rooted firmly in ancient past. Palestine represents the authoritative account of the country's history.

Furry Coloring Book Jun 22 2020 This is an anime style furry coloring book featuring furries in love, in sadness, and a variety of other moods and poses. The perfect gift for the anime or furry lover in your life or for yourself. Ideal for practicing your furry drawing and coloring skills. Details: - 30 unique, one-sided coloring pages - Illustrations are framed for easy cut-out or tear-out - Link to free downloadable coloring pages included

Children's Multilingual Development and Education Jan 18 2020 A study of the beliefs and practices of parents and educators raising future generations of multilingual children.

Finding Grandma's Memories Feb 17 2020 A tender family story that offers a gentle window into the issue of aging and memory loss for young readers. Grandma loves teatime--and so does her granddaughter--from picking out a special cup, to brewing the tea, to sharing stories at the table. But lately, Grandma seems forgetful. She doesn't always remember to turn off the faucet when filling the teakettle. Sometimes she even confuses her granddaughter's name. How one little girl helps her grandmother remember their special ritual makes for a heartwarming story that will strike a chord with any family coping with elderly relatives who suffer from memory loss.

The Unofficial Holy Bible for Minecrafters May 14 2022 An Exploration of the Old and New Testament for Young Readers Unlike Any You've Ever Seen Before! Since 2009, Minecraft has swept the gaming world by storm. More than one hundred million games have been sold. Parents of children who play Minecraft will love this fun, educational collection of Bible stories. With the world of Minecraft as a backdrop using vivid, full-color screenshots, children will experience the Bible as never before. Authors Chris Miko and Garrett Romines are teachers who have used Minecraft to create imaginative worlds in their classrooms. Now, they have created Bible stories with virtual blocks to produce vibrant, 3-D worlds filled with adventure and astonishing imagination. With fascinating scripture and narrative simplified to teach young readers the most powerful stories of our time, this is the perfect gift. The images created are not only of magnificent, vast terrains often found in the Minecraft video game but also feature artfully recreated legendary characters, such as Adam and Eve, and superb architectural design builds of the pyramids and Noah's Ark. A range of significant biblical characters such as Jesus and Pharaoh are brought together in fun, colorful scenes kids will treasure. Engaging teachings from the Tower of Babel and The Story of

Abram and Lot, to name a few, are all in this book. With over 270 images, young readers will explore stories from a vast number of Bible favorites such as The Story of Creation, The Journey of Abraham, Joseph and the Colored Dreamcoat, David and Goliath, Moses's Great Journey, The Birth of Jesus, The Last Supper, and many more! The Unofficial Holy Bible for Minecrafters makes the Bible more entertaining, engaging, and accessible for children than ever!

Kaguya-sama: Love Is War, Vol. 16 Jul 24 2020 Will Kaguya and Miyuki ever go beyond making out and get around to officially going out?! What game is Miko playing when she interferes with Yu and Tsubame's fledgling intimacy? Meanwhile, Kaguya tries to choose the perfect gift for Miyuki, Yu tries to choose the perfect gift for Tsubame, and Miyuki's dad goes into the fortune-telling business! India is the land of spiritual enlightenment. -- VIZ Media

Julie of the Wolves Nov 15 2019 The thrilling Newbery Medal-winning classic about a girl lost on the Alaskan tundra and how she survives with the help of a wolf pack. Julie of the Wolves is a staple in the canon of children's literature and the first in the Julie trilogy. The survival theme makes it a good pick for readers of wilderness adventures such as *My Side of the Mountain*, *Hatchet*, or *Island of the Blue Dolphins*. To her small village, she is known as Miyax; to her friend in San Francisco, she is Julie. When her life in the village becomes dangerous, Miyax runs away, only to find herself lost in the Alaskan wilderness. Miyax tries to survive by copying the ways of a pack of wolves and soon grows to love her new wolf family. Life in the wilderness is a struggle, but when she finds her way back to civilization, Miyax is torn between her old and new lives. Is she the Miyax of her human village—or Julie of the wolves? Don't miss any of the books in Jean Craighead George's groundbreaking series: *Julie of the Wolves*, *Julie*, and *Julie's Wolf Pack*.

Palestine, Israel and the U.S. Empire Sep 18 2022 A sharp analysis of the struggle for Palestine—from the division of the Middle East by Western powers and the Zionist settler movement, to the founding of Israel and its role as a watchdog for US interests, to present day conflicts and the prospects for a just resolution. The narrative is firmly rooted in the politics of Palestinian liberation. Here is a necessary contribution to the heroic efforts of the Palestinian people to achieve justice in the face of seemingly insurmountable odds. This book contains a complete index and a timeline of developments in the history of Palestine.

Palestine in Israeli School Books Jun 15 2022 Each year, Israel's young men and women are drafted into compulsory military service and are required to engage directly in the Israeli-Palestinian conflict. This conflict is by its nature intensely complex and is played out under the full glare of international security. So, how does Israel's education system prepare its young people for this? How is Palestine, and the Palestinians against whom these young Israelis will potentially be required to use force, portrayed in the school system? Nurit Peled-Elhanan argues that the textbooks used in the school system are laced with a pro-Israel ideology, and that they play a part in priming Israeli children for military service. She analyzes the presentation of images, maps, layouts and use of language in History, Geography and Civic Studies textbooks, and reveals how the books might be seen to marginalize Palestinians, legitimize Israeli military action and reinforce Jewish-Israeli territorial identity. This book provides a fresh scholarly contribution to the Israeli-Palestinian debate, and will be relevant to the fields of Middle East Studies and Politics more widely.

The Color Purple Apr 01 2021 A new addition to the HMH hardcover classics, the best-known and critically-acclaimed novel from Alice Walker"

Blood Brothers Dec 17 2019 As a child, Elias Chacour lived in a small Palestinian village in Galilee. When tens of thousands of Palestinians were killed and nearly one million forced into refugee camps in 1948, Elias began a long struggle with how to respond. In *Blood Brothers*, he blends his riveting life story with historical research to reveal a little-known side of the Arab-Israeli conflict, touching on questions such as: •What behind-the-scenes politics touched off the turmoil in the Middle East? •What does Bible prophecy really have to say? •Can bitter enemies ever be reconciled? Now updated with commentary on the current state of the Israeli-Palestinian conflict, as well as a new foreword by Lynne Hybels and Gabe Lyons, this book offers hope and insight that can help each of us learn to live at peace in a world of tension and terror.

Miss Jessie's Mar 12 2022 Miss Jessie's is a memoir and business guide rich with inspirational life lessons and unique business advice from Miko Branch, the Chief Executive Officer of the dynamic Miss Jessie's — the company that revolutionized the hair care industry. When Miko and her sister, Titi, were children, their grandmother, Miss Jessie, taught them independence and showed them the value of being “do it yourself” women, all while whipping up homemade hair concoctions at her kitchen table. As co-founders of Miss Jessie's, Miko reveals how she and Titi applied those lessons to create a successful business from scratch. A family memoir with a wealth of practical business advice and handy hair tips, told in Miko's funny and relatable voice, Miss Jessie's is her remarkable story — from her childhood learning independence as a latchkey kid in Jamaica, Queens, to building a highly regarded company with her sister in their shared home salon in Bedford-Stuyvesant, Brooklyn. Miko reflects on her hard-won insights working for her autocratic, iron-fisted father, and how the self-sufficiency she learned in childhood helped her blossom as a single mother with bills to pay, a child to raise, and a dream to pursue. She speaks honestly of her mistakes and successes, and of her role as an industry leader, negotiating multi-million dollar deals while at the same time restoring the self-esteem of natural and curly haired women. Charming and enlightening, chock full of entertaining stories and invaluable instruction that can be applied to any business, and illustrated with 16 pages of photos, Miss Jessie's confirms that with effort the American Dream is possible.

Pet Sematary Nov 27 2020 A horror story of a children's pet cemetery and another graveyard behind it from which the dead return.

The Night of the Fireflies Aug 05 2021 Toshio takes his sister, Miko, through the woods to the river, where they join other children in capturing fireflies and placing them in lanterns.

The Forgotten Palestinians Jun 03 2021 For more than 60 years, hundreds of thousands of Palestinians have lived as Israeli citizens within the borders of the nation formed at the end of the 1948 conflict. Occupying a precarious middle ground between the Jewish citizens of Israel and the dispossessed Palestinians of the West Bank and the Gaza Strip, the Israeli Palestinians have developed an exceedingly complex relationship with the land they call home; however, in the innumerable discussions of the Israel-Palestine problem, their experiences are often overlooked and forgotten. In this book, historian Ilan Pappé examines how Israeli Palestinians have fared under Jewish rule and what their lives tell us about both Israel's attitude toward minorities and Palestinians' attitudes toward the Jewish state. Drawing upon significant archival and interview material, Pappé analyzes the Israeli state's policy towards its Palestinian citizens, finding discrimination in matters of housing, education, and civil rights. Rigorously researched yet highly readable, *The Forgotten Palestinians* brings a new and much-needed perspective to the Israel-Palestine debate.

The Characteristic Method and Its Generalizations for First-Order Nonlinear Partial Differential Equations Apr 13 2022 Despite decades of research and progress in the theory of generalized solutions to first-order nonlinear partial differential equations, a gap between the local and the global theories remains: The Cauchy characteristic method yields the local theory of classical solutions. Historically, the global theory has principally depended on the vanishing viscosity method. The authors of this volume help bridge the gap between the local and global theories by using the characteristic method as a basis for setting a theoretical framework for the study of global generalized solutions. That is, they extend the smooth solutions obtained by the characteristic method. The authors offer material previously unpublished in book form, including treatments of the life span of classical solutions, the construction of singularities of generalized solutions, new existence and uniqueness theorems on minimax solutions, differential inequalities of Haar type and their application to the uniqueness of global, semi-classical solutions, and Hopf-type explicit formulas for global solutions. These subjects yield interesting relations between purely mathematical theory and the applications of first-order nonlinear PDEs. *The Characteristic Method and Its Generalizations for First-Order Nonlinear Partial Differential Equations* represents a comprehensive exposition of the authors' works over the last decade. The book is self-contained and assumes only basic measure theory, topology, and ordinary differential equations as prerequisites. With its innovative approach, new results, and many applications, it will prove valuable to mathematicians, physicists, and engineers and especially interesting to researchers in nonlinear PDEs, differential inequalities, multivalued analysis, differential games, and related topics in applied analysis.

The Universe in a Nutshell May 22 2020 Stephen Hawking's phenomenal, multimillion-copy bestseller, *A Brief History of Time*, introduced the ideas of this brilliant theoretical physicist to readers all over the world. Now, in a major publishing event, Hawking returns with a lavishly illustrated sequel that unravels the mysteries of the major breakthroughs that have occurred in the years since the release of his acclaimed first book. *The Universe in a Nutshell* • Quantum mechanics • M-theory • General relativity • 11-dimensional supergravity • 10-dimensional membranes • Superstrings • P-branes • Black holes One of the most influential thinkers of our time, Stephen Hawking is an intellectual icon, known not only for the adventurousness of his ideas but for the clarity and wit with which he expresses them. In this new book Hawking takes us to the cutting edge of theoretical physics, where truth is often stranger than fiction, to explain in laymen's terms the principles that control our universe. Like many in the community of theoretical physicists, Professor Hawking is seeking to uncover the grail of science — the elusive Theory of Everything that lies at the heart of the cosmos. In his accessible and often playful style, he guides us on his search to uncover the secrets of the universe — from supergravity to supersymmetry, from quantum theory to M-theory, from holography to duality. He takes us to the wild frontiers of science, where superstring theory and p-branes may hold the final clue to the puzzle. And he lets us behind the scenes of one of his most exciting intellectual adventures as he seeks “to combine Einstein's General Theory of Relativity and Richard Feynman's idea of multiple histories into one complete unified theory that will describe everything that happens in the universe.” With characteristic exuberance, Professor Hawking invites us to be fellow travelers on this extraordinary voyage through space-time. Copious four-color illustrations help clarify this journey into a surreal wonderland where particles, sheets, and strings move in eleven dimensions; where black holes evaporate and disappear, taking their secret with them; and where the original cosmic seed from which our own universe sprang was a tiny nut. *The Universe in a Nutshell* is essential reading for all of us who want to understand the universe in which we live. Like its companion volume, *A Brief History of Time*, it conveys the excitement felt within the scientific community as the secrets of the cosmos reveal themselves.
