A thrilling new novel from #1 New York Times bestselling author Lisa See explores the lives of a Chinese mother and her daughter who has been adopted by an American couple. Li-yan and her family align their lives around the seasons and the farming of tea. There is ritual and routine, and it has been ever thus for generations. Then one day a jeep appears at the village gate—the first automobile any of them have seen—and a stranger arrives. In this remote Yunnan village, the stranger finds the rare tea he has been seeking and a reticent Akha people. In her biggest seller, *Snow Flower and the Secret Fan*, See introduced the Yao people to her readers. Here she shares the customs of another Chinese ethnic minority, the Akha, whose world will soon change. Li-yan, one of the few educated girls on her mountain, translates for the stranger and is among the first to reject the rules that have shaped her existence. When she has a baby outside of wedlock, rather than stand by tradition, she wraps her daughter in a blanket, with a tea cake hidden in her swaddling, and abandons her in the nearest city. After mother and daughter have gone their separate ways, Li-yan slowly emerges from the security and insularity of her village to encounter modern life while Haley grows up a privileged and well-loved California girl. Despite Haley's happy home life, she wonders about her origins; and Li-yan longs for her lost daughter. They both search for and find answers in the tea that has shaped their family's destiny for generations. A powerful story about a family, separated by circumstances, culture, and distance, *Tea Girl of Hummingbird Lane* paints an unforgettable portrait of a little known region and its people and celebrates the bond that connects mothers and daughters. "Boys just being boys" turns out to be true only when those boys are white. "Imagine a young man on his way to a less-than-thirty second event — the loss of his left hand, long before he reached middle age." The Fourth Hand asks an interesting question: "How can anyone identify a dream of the future?" The answer: "Destiny is not imaginable, except in dreams or to those in love." While reporting a story from India, a New York television journalist has his left hand eaten by a lion; millions of TV viewers witness the accident. In Boston, a renowned hand surgeon awaits the opportunity to perform the nation's first hand transplant; meanwhile, in the distracting aftermath of an acrimonious divorce, the surgeon is seduced by his housekeeper. A married woman in Wisconsin wants to give the one-handed reporter her husband's left hand—that is, after her husband dies. But the husband is alive, relatively young, and healthy. This is how John Irving's tenth novel begins; it seems, at first, to be a comedy, perhaps a satire, almost certainly a sexual farce. Yet, in the end, *The Fourth Hand* is as realistic and emotionally moving as any of Mr. Irving's previous novels—including *The World According to Garp*, *A Prayer for Owen Meany*, and *A Widow for One Year*—or his Oscar-winning screenplay of *The Cider House Rules*. *The Fourth Hand* is characteristic of John Irving's seamless storytelling and further explores some of the author's recurring themes—loss, grief, love as redemption. But this novel also breaks new ground; it offers a penetrating look at the power of second chances and the will to change. **THE NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR** by Booklist • Kirkus Celebrate all the ways love makes us who we are with the romance that Entertainment Weekly calls "wise, wildly unique"--from the bestselling co-author of Nick and Norah's Infinite Playlist and Will Grayson, Will Grayson--about a teen who wakes up every morning in a different body, living a different life. Now there are three distinct Reader's Notebooks to help students grades K through 8 become better readers through writing. New! Reader's Notebook: Primary (recommended for Grades K-2) Reader's Notebook (recommended for Grades 2-4) Reader's Notebook: Advanced (recommended for Grades 4-8) Here's an engaging way to improve your students' reading comprehension and to encourage them to write their thoughts about what they've read. It is also an excellent assessment tool for documenting reading achievement over time in a reading workshop that includes independent reading, guided reading, and genre study. Fountas & Pinnell Reader's Notebooks are 8x10 spiral notebooks, similar to what students use every day, but specially designed to promote reflection and dialogue about reading. As described in the authors' best-selling *Guiding Readers and Writers, Grades 3-6*, the Reader's Notebook is practical and easy to use. In it, students transform traditional book reports into active dialogues. The notebook becomes a personal storehouse of students' thoughts and feelings and a place to access them for later review, reflection, and sharing. It is also a way for teachers to systematically assess students' responses to the texts they are reading independently. Used throughout the academic year, the notebook serves as a continual record of one reader's book list, interests and reading responses. Students may write in longhand, make charts or quick sketches, or glue in their writings produced on the computer. The Reader's Notebook also contains many different resources for writing about reading. It is organized into easy-to-use, color-coded tabbed sections. The Reader's Notebook is also available in 25 packs

Multi-Party and Multi-Contract Arbitration in the Construction Industry provides the first detailed review of multi-party arbitration in the international construction sector. Highly practical in approach, the detailed interpretation and assessment of the arbitration of multi-party disputes will facilitate understanding and decision making by arbitrators, clients and construction contractors. A New York Times bestseller, *The Silver Linings Playbook* was adapted into the Oscar-winning movie starring Bradley Cooper and Jennifer Lawrence. It tells the riotous and poignant story of how one man regains his memory and comes to terms with the magnitude of his wife's betrayal. During the years he spends in a neural health facility, Pat Peoples formulates a theory about silver linings: he believes his life is a movie produced by God, his mission is to become physically fit and emotionally supportive, and his happy ending will be the return of his estranged wife, Nikki. When Pat goes to live with his parents, everything seems changed: no one will talk to him about Nikki; his old friends are saddled with families; the Philadelphia Eagles keep losing, making his father moody; and his new therapist seems to be recommending adultery as a form of therapy. When Pat meets the tragically widowed and clinically depressed Tiffany, she offers to act as a liaison between him and his wife, if only he will give up watching football, agree to perform in this year's Dance Away Depression competition, and promise not to tell anyone about their "contract." All the while, Pat keeps searching for his silver lining. In this brilliantly written debut novel, Matthew Quick takes us inside Pat's mind, deftly showing us the world from his distorted yet endearing perspective. The result is a touching and funny story that helps us look at both depression and love in a wonderfully refreshing way. In a climate of tightened budgets and severe demands on public literacy resources, Conner and Plocharczyck go to the foundations of social justice in *Cultural Studies* to show how the means of integrating those with disabilities into libraries and communities can be found in our everyday

practices. **NEW YORK TIMES BESTSELLER** • The acclaimed social psychologist challenges conventional thinking about morality, politics, and religion in a way that speaks to conservatives and liberals alike—a “landmark contribution to humanity’s understanding of itself” (The New York Times Book Review). Drawing on his twenty-five years of groundbreaking research on moral psychology, Jonathan Haidt shows how moral judgments arise not from reason but from gut feelings. He shows why liberals, conservatives, and libertarians have such different intuitions about right and wrong, and he shows why each side is actually right about many of its central concerns. In this subtle yet accessible book, Haidt gives you the key to understanding the miracle of human cooperation, as well as the curse of our eternal divisions and conflicts. If you’re ready to trade in anger for understanding, read *The Righteous Mind*. “One of the great reporters of our time and probably the greatest biographer.” —The Sunday Times (London) From the two-time Pulitzer Prize-winning author of *The Power Broker* and *The Years of Lyndon Johnson*: an unprecedented gathering of vivid, candid, deeply moving recollections about his experiences researching and writing his acclaimed books. Now in paperback, Robert Caro gives us a glimpse into his own life and work in these evocatively written, personal pieces. He describes what it was like to interview the mighty Robert Moses and to begin discovering the extent of the political power Moses wielded; the combination of discouragement and exhilaration he felt confronting the vast holdings of the Lyndon B. Johnson Library in Austin, Texas; his encounters with witnesses, including longtime residents wrenchingly displaced by the construction of Moses’ Cross-Bronx Expressway and Lady Bird Johnson acknowledging the beauty and influence of one of LBJ’s mistresses. He gratefully remembers how, after years of working in solitude, he found a writers’ community at the New York Public Library, and details the ways he goes about planning and composing his books. Caro recalls the moments at which he came to understand that he wanted to write not just about the men who wielded power but about the people and the politics that were shaped by that power. And he talks about the importance to him of the writing itself, of how he tries to infuse it with a sense of place and mood to bring characters and situations to life on the page. Taken together, these reminiscences—some previously published, some written expressly for this book—bring into focus the passion, the wry self-deprecation, and the integrity with which this brilliant historian has always approached his work.
