Breaking Rules Nov 22 2022 Sometimes, the lessons of childhood are damaging enough that, by eighteen, you've figured out some rules so you don't repeat your parents' mistakes. For Mandy, that meant finishing her last year of high school, going to college, and then returning to small-town Sugar Creek to live a solitary life as a writer. That was the plan, and her main rule for avoiding complications and staying on track was to never, ever, EVER let someone get too close. That was before she met Gabe. And when Gabe starts to awaken emotions she's never experienced, Mandy suddenly begins to question every belief she's ever had. She can't be falling in love, can she? That would be the biggest mistake of her life, wouldn't it? Could she break one of her most important rules-for Gabe?

The Islanders Aug 19 2022 "One of my own favorite writers." —Elin Hilderbrand Named a Best Beach Read of Summer by Vulture, PureWow, She Reads and Women.com J. Courtney Sullivan's Maine meets the works of Elin Hilderbrand in this delicious summer read involving three strangers, one island, and a season packed with unexpected romance, well-meaning lies, and damaging secrets. Anthony Puckett was a rising literary star. The son of an uber-famous thriller writer, Anthony's debut novel spent two years on the bestseller list and won the adoration of critics. But something went very wrong with his second work. Now Anthony's borrowing an old college's friend's crumbling beach house on Block Island in the hopes that solitude will help him get back to the person he used to be. Joy Sousa owns and runs Block Island's beloved whoopie pie café. She came to this quiet space eleven years ago, newly divorced and with a young daughter, and built a life for them here. To her customers and friends, Joy is a model of independence, hard-working and happy. And mostly she is. But this summer she's thrown off balance. A food truck from a famous New York City brand is roving around the island, selling goodies—and threatening her business. Lu Trusdale is spending the summer on her in-laws' dime, living on Block Island with her two young sons while her surgeon husband commutes to the mainland hospital. When Lu's second son was born, she and her husband made a deal: he'd work and she'd quit her corporate law job to stay home with the boys. But a few years ago, Lu quietly began working on a private project that has become increasingly demanding on her time. Torn between her work and home, she's beginning to question that deal she made. Over the twelve short weeks of summer, these three strangers will meet and grow close, will share secrets and bury lies. And as the promise of June turns into the chilly nights of August, the truth will come out, forcing each of them to decide what they value most, and what they are willing to give up to keep it.

I'm Glad My Mom Died Oct 09 2021 #1 NEW YORK TIMES BESTSELLER #1 INTERNATIONAL BESTSELLER A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

Epic Survival Nov 17 2019 Matt Graham, star of the Discovery Channel's *Dual Survival* and *Dude, You're Screwed*, details the physical, mental, and emotional joys and harrowing struggles of his life as a modern-day hunter-gatherer. Early on in his life, Matt craved a return to nature. When he became an adult, he set aside his comfortable urban life and lived entirely off the land to learn from the smallest and grandest of all things. In this riveting narrative that brings together epic adventure and spiritual quest, he shows us what extraordinary things the human body is capable of when pushed to its limits. In *Epic Survival*, written with Josh Young, coauthor of five New York Times bestsellers, Matt relays captivating stories from his life to show just how terrifying—and gratifying—living off the grid can be. He learns the secrets of the Tarahumara Indians that helped him run the 1,600-mile Pacific Crest Trail in just fifty-eight days and endure temperature swings of 100 degrees. He takes us with him as he treks into the wilderness to live alone for half a year, armed with nothing but a loincloth, a pair of sandals, a stone knife, and chia seeds. He recounts near-death experiences of hiking alone through the snowdrifts at the bottom of the Grand Canyon, and tells us about the time he entered a three-day Arabian horse race on foot—and finished third. Above all, *Epic Survival* is a book about growing closer to the land that nurtures us. No matter how far our modern society takes us from the wilderness, the call remains. Whether you're an armchair survivalist or have taken the plunge yourself, Matt's story is both inspiration and invigoration, teaching even the most urbane among us important and breathtaking lessons.

Turnip Greens & Tortillas May 24 2020 Southern fare with a Mexican flair, by the chef/co-owner of the restaurant empire that Bon Appétit called a "Top American Restaurant" USA Today called Taqueria del Sol "a runaway success." Bon Appétit wrote: "Move over, Chipotle!" The fast-casual food of Eddie Hernandez, the James Beard-nominated chef/co-owner of the restaurant, lands on the commonalities of Southern and Mexican food, with dishes like Memphis barbecue pork tacos, chicken pot pie served in a "bowl" of a puffed tortilla, turnip greens in "pot likker" spiked with chiles, or the "Eddie Palmer," sweet tea with a jab of tequila. Eddie never hesitates to break with purists to make food taste better, adding sugar to creamy grits to balance the jalapeños, or substituting tomatillos in fried green tomatoes for a more delicate texture. Throughout, "Eddie's Way" sidebars show how to make each dish even more special.

Suddenly the connections between whites and blacks are revealed to be deeper than anyone expected, which makes the town's struggle with integration that much more complicated. Godshot Apr 22 2020 This "fiercely written and endlessly readable" novel of a teenage girl in thrall to a magnetic—and terrifying—preacher who promises to save her dying town is "a godsend" (*Entertainment Weekly*). Drought has settled on the town of Peaches, California. The area of the Central Valley where fourteen-year-old Lacey May and her alcoholic mother live was once an agricultural paradise. Now it's an environmental disaster, a place of cracked earth and barren raisin farms. In their desperation, residents have turned to a cult leader named Pastor Vern for guidance. He promises, through secret "assignments," to bring the rain everybody is praying for. Lacey has no reason to doubt the pastor. But then her life explodes in a single unimaginable act of abandonment: her mother, exiled from the community for her sins, leaves Lacey and runs off with a man she barely knows. Abandoned and distraught, Lacey May moves in with her widowed grandma, Cherry, who is more concerned with her taxidermy mouse collection than her own granddaughter. As Lacey May endures the increasingly appalling acts of men who want to write all the rules and begins to uncover the full extent of Pastor Vern's shocking plan to bring fertility back to the land, she decides she must go on a quest to find her mother no matter what it takes. With her only guidance coming from the romance novels she reads and the unlikely companionship of the women who knew her mother, she must find her own way through unthinkable circumstances. Possessed of an unstoppable plot and a brilliantly soulful voice, *Godshot* is a book of grit and humor and heart, a debut novel about female friendship and resilience, mother-loss and motherhood, and seeking salvation in unexpected places. It introduces a writer who gives Flannery O'Connor's Gothic parables a Californian twist and who emerges with a miracle that is all her own. "[A] haunting debut . . . This is a harrowing tale, which Bieker smartly writes through the lens of a teenager on the cusp of understanding the often fraught relationship between religion and sexuality . . . It's a timely and disturbing portrait of how easily men can take advantage of vulnerable women—and the consequences sink in more deeply with each page." —Annabel Guttermar, *Time* "Drawn in brilliant, bizarre detail—baptism in warm soda, wisdom from romance novels—Lacey's twin crises of faith and femininity tangle powerfully. Fiercely written and endlessly readable, a novel like this is a godsend. A—" —Mary Sollosi, *Entertainment Weekly* "[An] absolute masterpiece . . . Imagine if Annie Proulx wrote something like *White Oleander* crossed with *Geek Love* or *Cruddy*, and then add cults, God, motherhood, girlhood, class, deserts, witches, the divinity of women . . . Terrifying, resplendent, and profoundly moving, this book will leave you changed." —T Kira Madden, author of *Long Live the Tribe of Fatherless Girls*

Fairfield and Wayne County Jun 17 2022 Known as the home of the Prohibition-era Shelton Brothers Gang, the true heritage of Wayne County, Illinois, is the collective life of its ordinary citizens—their surroundings, activities, and challenges. In 1819, settlers named the county seat Fairfield because there was "no fairer field" than the broad prairie between the timberlands. Villages scattered across the 715-square-mile county attracted families, teachers, doctors, blacksmiths, ministers, and merchandisers. The railroad brought prosperity. Fairfield's opera house, college, woolen mill, stately churches, elegant homes, and packed business district made it a social hub. In the 1900s, Sexton Manufacturing added a massive factory complex, including Cambridge Court cottages for unmarried female workers. On farms, poultry production reached industry levels. By the 1920s, the county had over 100 one-room schools. The discovery of oil in 1937 relieved Depression-era woes and fueled Fairfield's civic expansion after World War II. These photographs show generations of shopkeepers, students, farmers, musicians, builders, barbers, teachers, merchants, and factory workers in the heart of the rural Midwest.

Blood Secrets Aug 27 2020 The thing about blood... it can't lie. For my entire life, I'd been complacent. I allowed others to make decisions for me until I almost lost my fated mate. So I did the only thing I could, I took him and ran. Secrets surface and hidden truths are discovered... truths that no one dreamed about facing again. Armed with new knowledge, I must make a choice. Be open to learn about who I really am or continue to stay ignorant. The answer isn't quite as simple as some would leave you to believe. With each move I make, I set the course for my future. With everything falling apart around me, I'm not quite sure what I'll become when all is said and done.
