Stuck in a small Missouri town and dreaming of any job that will help him leave, seventeen-year-old Adrian Dents daydreams are soon interrupted when he becomes entangled in an affair with a beautiful, older

Death is not only the final moment of life, it also casts a huge shadow on human society at large. People throughout time have had to cope with death as an existential experience, and this

also, of course, in the premodern world. The contributors to the present volume examine the material and spiritual conditions of the culture of death, studying specific buildings and spaces, literary works and art objects, theatrical performances, and medical tracts from the early Middle Ages to the late eighteenth century. Death has always evoked fear, terror, and awe, it has puzzled and troubled people, forcing theologians and philosophers to respond and provide answers for questions that seem to evade real explanations. The more we learn about the culture of death, the more we

can comprehend the culture of life. As this volume demonstrates, the approaches to death varied widely, also in the Middle Ages and the early modern age. This volume hence adds a significant number of new facets to the critical examination of this ever-present phenomenon of death, exploring poetic responses to the Black Death, types of execution of a female murderess, death as the springboard for major political changes, and death reflected in morality plays and art. Emotions go rampant in the last book of the Knaasts saga. Truth comes to light and everything makes sense now.

Subduing their enemies, drawing the blades, running in the sky, warriors and angels face the ultimate fight. No battlefield could be better; no weapon could best the ones the Creator Himself chose. If no one else can face the challenge, His warriors will. They are otherworldly fighters but human. They are purified and ready. The world has no reason to fear. Death is going to be defeated. Life is going to win. Love is going to heal the wounds. And who missed the goals, may have another chance. You may be sure, if nothing else falls into place, Justice will. After years of wandering, Larten has finally found his way back

to his vampire family and resumed the vigorous, brutal training to become a General. But there are vampires determined to pull Larten into starting a war that could have global implications and casualties. Vampires who will stop at nothing. Vampires who would betray Larten in the most cutting way. The dead won't stay buried, and they're raising secrets with them... Erick Darvaul just wanted to be left alone to grieve the loss of his parents, but when the citizens of the town showed up on his doorstep at night, he knew nothing would ever be the same. Long hated and feared by the townsfolk for

their practice of Necromancy, the Darvaul family had always kept themselves apart from the people of Draymed. Until now. Now, there are vampires attacking the village, and only Erick can stop them. But will he? A Whisper of Death is the first book of The Necromancer Saga, a new hero's journey saga from Paul Barrett, co-author of Knight Errant. Follow young Erick as he builds a band of companions around himself to fight against a rising tide of darkness that threatens to engulf the land. But he must take care, for all too often the darkness comes from within himself, or those he trusts

the most. This compellingly written autobiography covers the past century and more in the life of Bato Tomasevic's Montenegrin family in the harsh and ever-turbulent mountains of southern Yugoslavia. The narrative begins some fifty years before the Balkan wars (1912-1913) and recounts the harrowing experiences of the Tomasevic clan in the twentieth century's two World Wars. The author conveys vividly the hardships of life in under Italian and German occupation: the daily executions, the heroism of underground workers and the

effects of occupation on ordinary people. Bato Tomasevic was a boy soldier with the Partisans and experienced the horrors of warfare against the Chetniks, cheating death in an ambush in Eastern Bosnia. Just as vivid are his accounts of, inter alia, post-war Yugoslavia, his narrow escape in the Munich air disaster, life in Belgrade in the hopeful sixties and seventies, the break-up of the Federation after Tito's death, and the efforts of extreme nationalists to create a Greater Serbia and a Greater Croatia through armed might and ethnic cleansing. The

family saga ends with Tomasevic's experience of the NATO bombing of Serbia in March 1999 and the downfall and imprisonment of President Milosevic. Tomasevic's story is at once fascinating, heroic, tragic, sometimes even funny, but unquestionably moving, such as his description of he and his mother finding his dead brother's skull or of witnessing a suicide by a young German prisoner of war of roughly the same age as him. It is a story as remembered by a young boy, whose family, like his country, was drawn into a violent and brutal conflict that it could not escape. Darren begins the

Trials of Initiation to prove himself worthy of being a half-vampire, even as the clan's blood foes, the vampaneze, gather near Vampire Mountain. The epic vampire tale concludes . . . Prepare for a shock as the four-part Saga of Larten Crepsley comes to a terrifying end. Just as Larten is adjusting to his new place in vampire society, his family suffers a horrifying tragedy, thanks to the nefarious Vampaneze. But there is even more evil brewing, and Larten may soon find himself grieving again as he faces the worst and final betrayal. DEATH TO THE WOLF (1942-1945) Ettore Vacca

celebrates his 80th birthday even as Italy embraces its disastrous alliance with Nazi Germany. Serving with the Italian 8th Army near Stalingrad, Donato Como's unit faces a massive Soviet offensive and killing winter temperatures in a battle for survival on Russia's frozen steppes. When the Axis lines break, Donato leads his men in a desperate trek across a desolate wasteland, hounded by the enemy and oppressed by retreating Germans now contemptuously disdainful of their Italian allies. As Donato confronts the realities of unforgiving warfare, his allegiance to the

land of his forefathers deepens as never before. In Castrubello, Regina Vacci, Donato's beloved, courageously defies the Fascists' merciless persecution of Jews. Ettore Vacci is shocked to witness his nephew Pietro Como rise to political power within Mussolini's iron regime. With family loyalties divided, like Italia itself, Ettore Vacci finds he must act -- for justice, for Castrubello, for family honor. DEATH TO THE WOLF is the third and final volume of The Last Italian, A Saga in Three Parts, a gripping tale that begins in 1882 Italy and spans more than six decades of social

and political tumult. Three generations of the Como and Vacci families face rapacious landowners, deadly epidemics, harrowing warfare, perilous immigration, and Fascist brutality during the Kingdom of Italy's final sixty-three turbulent years. Throughout, as the characters balance their commitments to love, loyalty, and honor against the harsh demands of physical survival, inscrutable Fate forever stands ready to randomly intervene. The other books of the trilogy include: BOOK ONE: PULLING GOD'S TEETH (1882-1886) Twenty-four-year-old Carlo Como goes out fishing one

dawn on the wide river near his northern Italian village of Castrubello. The Pirino has provided a living for the Como family for generations, but this morning Carlo hauls in a very different catch: three large white rocks known as "God's Teeth." The valuable stones, coveted by local ceramic-makers, will allow him to marry his love, Tonia Vacci, a worker in the town's dismal silk mill. But the fisherman's good fortune is resented by estate manager Baldassare Gaetano, greedy both for Tonia and the profit from the stones. Carlo's discovery unleashes a chain of love and

jealousy, courage and betrayal, violence and perseverance that will define the Como and Vacci families for decades to come. Tonia's brother, Ettore, is determined to advance through life on his own merits and bids farewell to Castrubello. With a hot-headed partner, he forms a construction company and heads south to carve The King's Road through the mountains of Campania. Ettore soon finds himself fighting an impossible deadline and a band of cut-throat brigands led by the murderous "Corsicano", who swears to halt the brazen intruder threatening his

mountain lair.  
BOOK TWO:  
FATE'S RESTLESS FEET (1911-1913)  
Brothers Gianni and Renzo Como land with an elite Bersagliere regiment in Tripoli, Libya, as the Kingdom of Italy declares war on the Ottoman Empire. What was expected to be a quick, glorious conquest devolves into primal combat as Italian forces are assaulted from all sides. Renzo risks everything to live up to his duty to protect his brother during a treacherous battle fraught with confusion, courage, and unspeakable cruelty. Despite dire warnings, Angelina Scrivatti undertakes the perilous journey

from Castrubello to America to claim a promise of marriage. She eventually arrives at a Michigan mining town to discover the man she loves struggling with guilt and despair. They soon become swept up in a storm of ethnic conflict that leads to a night of grievous tragedy -- and a final chance for personal redemption. The fifth book in the DEATH OF ROME SAGA is an exhilarating thriller and perfect for readers of Ben Kane and Simon Scarrow. 612 AD. No longer the glorious cradle of all art and science, Athens is a ruined provincial city in one of the Byzantine Empire's

less vital provinces. The Emperor has diverted Aelric's ship home from Egypt to send him there, but surely there is more important business in Constantinople. Isn't Aelric needed to save the Empire's finances? Is Aelric on a high level mission to save the Empire or has he been set up to fail? The only certainty is that Aelric finds himself in a derelict palace of dark and endless corridors that Martin, his cowardly secretary, assures him pulse will an ancient evil. L.E. Content Warning: This book contains uncomfortable adult situations. Reader discretion is advised. The trials: seventeen ways to die unless the luck of the vampire is with you. Darren Shan must pass five fearsome Trials to prove himself to the

vampires clan - or face the stakes of the Hall of Death. But Vampire Mountain holds hidden threats. Sinister, potent forces are gathering in the darkness. In this nightmarish world of bloodshed and betrayal, death may be a blessing... This is the story of a poet, poor and proud, with all the strength of a Viking and all the weakness of genius. He loves a fine lady, a spoiled child; who bewitches him, and jilts him, and jilts him again. In true Viking style he fights for her, kills for her, writes verse for her, and rises, for her sake, to the height of all that a man in his age could achieve. Then, after years,

he has her at his feet, and learns of her heartlessness and worthlessness. He bids her farewell; but in the end dies with her name on his lips. The motive of the book is very modern, yet at the same time as ancient as the human race itself. It is dramatic and imaginative in the sense that it is told by one who was an artist in his craft of saga-telling. The diction is of the simplest and there is no fine writing, but the plot is balanced like a Greek play and the action drives along to its close. The result is conveyed without a word of moralizing. The characters are broadly drawn, and their types are still

valid today. Without needless detail, there are touches enough of realism. It reads like a novel, and yet it is a true story. 33% of the net profit will be donated to charities for educational purposes. Death is a destination of finality. Explore the many questions regarding the processes of death and beliefs of an afterlife. The Racoon Sisterhood. That is the name of the clan of girls that call the area just north of the Green Zone home. Safety in numbers, a superior knowledge of the woods, and the willingness to die for your sister, these things have kept the Racoons alive, alive in a

world where women are nothing. However, the People's Army, led by the 3 eyed monster, General Blan, have hunted the Racoons down, murdering them in tremendous numbers, to a point where something must be done...but who do the Racoons trust, who can end their pain? When does a deal with the devil become the only option? On December 30, 1986, the Swift Current Broncos' bus crashed in horrible weather conditions, and four players died. In 1989 they won the Memorial Cup. In 1996 former Broncos coach Graham James was charged with sexual assault. This book tells the stories of some of

the people involved in these events and in all that followed.
