Speaker and author Karen O'Connor urges her post-fifty friends to "laugh and love all the way home to the Father's house." With humor and wisdom, Karen shares personal and gathered stories about the blessings of surviving and surpassing middle-age. *Gettin' Old Ain't for Wimps* overflows with candor and helps the boomin' baby boomer market celebrate with: funny stories of the antics and adventures of getting older "conversations with God" for a deeper prayer life hopeful words for the tough times For those who have already traded in their wimp status for a more courageous existence or those still wondering about the future, this delightful read affirms that the latter decades are filled with God's promises and joys. When Betsy Ward's family moves to Ohio from Connecticut in 1803, she brings along a sockful of coins to buy sheep so that she can gather wool, spin cloth, and make clothes to keep her children warm. Ages 6 years & over. Jonathan employs a striking contemporary visual expression to allow us a candid view into the intimate communal life of Taos Pueblo as it was long ago. His charming primitive style, love of vivid colour, and strong use of space are distinctive of his work. His paintings are animated, open, and warmly inviting, revealing the enchanting serenity and gracefulness of life lived close to nature. Jonathan is also inspired by his mother, who was a well-known artist herself, and by his strong connection to the private spiritual life of his pueblo community. As appealing as this rich pastoral world is, it is vanishing

quickly, even in Jonathan's lifetime. He is committed, therefore, to preserving his cultural heritage as best he can through his paintings, faithful as they are to both the timeless and the momentary. Thus he gives to his children and to all of us a remarkable record of a native lifestyle, intimately known and nostalgically recalled. Bli med meg til India og se hvordan jeg har det om vinteren! Jeg tipper det er ganske annerledes enn vinteren hos deg i Norge. Through stories, tips, and spiritual truths this book captures the joy of knitting and inspires readers to share their beautiful creations with those around them. G-rated Comedy short stories about two young people (male and female) finally taking their curious questions about sex to their parents with hilarious results. Alienated from his fellow zombies because of his dislike of having to kill humans and his enjoyment of Sinatra music, "R" meets a living girl who sharply contrasts with his cold and dreary world and whom he resolves to protect in spite of her delicious appearance. Twelve Christmas stories, previously shared by Burt in magazines, newspapers, radio, TV, and at hundreds of public readings each year. Privately published Oct 2000, sold 10,000 copies in

Connecticut and Massachusetts without being in a bookstore. Wisdom and Humor from the Front Porch Master storyteller Philip Gulley shares tender and hilarious real-life moments that capture the important truths of everyday life. When Philip Gulley began writing newsletter essays for the twelve members of his Quaker meeting in Indiana, he had no idea one of them would find its way to radio commentator Paul Harvey Jr. and be read on the air to 24 million people. Fourteen books later, with more than a million books in print, Gulley still entertains as well as inspires from his small-town front porch. A treasury of holiday stories, emphasizing the good, the uplifting, and the righteous. The book is a series of short stories that center around challenges and milestones in our lives and as we traverse these landscapes the Divine appears in subtle ways to support, comfort and guide us. "Every word here feels set down with care and fierce conscience. The resulting narrative glows." —San Francisco Chronicle A novel of rich details and landscapes, *Winter Kept Us Warm* follows three friends through six decades — from postwar Berlin to Manhattan, 1960s Los Angeles to contemporary Morocco. A twisting narrative reveals their mysteries in fragments, examining their long-ago love triangle and how it changed their lives forever. "This novel is a profound success that manages to take its place in the canon of excellent war literature while also maintaining a kind of magical surreality . . . This is an astonishing read, a best-of, and a masterful treatise on enduring." —Lambda Literary Whether you are a new "Cup of Comfort" reader or an avid follower of the series, you will truly enjoy this updated version of the book that started it all. A "Cup of Comfort Classic Edition" revisits the stories that have warmed millions of hearts. Graced with several new moving stories, this book can inspire you as it has these and many more readers: "When everything seems crazy and negative, these uplifting stories are such a welcome respite. Everybody should take a few minutes here and there and read the stories to remind themselves of the good in the world."-Amy E. Lively, Cincinnati, Ohio "The stories in this book are so nicely done, very uplifting and moving without being syrupy or sappy. A really encouraging read."-Carman T., DeWitt, Michigan "Thank you for collecting such wonderful, heart-warming stories for the first "Cup of Comfort" book. . . . I was so enchanted with the

book."-Sarah Khan, Stoke-on-Trent, England A "Cup of Comfort Classic Edition" promises to deliver you the same inspirational warmth everyone has come to love. This e-book is a compilation of heart-touching stories of courage, friendship, love, loyalty, and bravery of man's best friend. Dogs are more than just pets, they are companions that will comfort you during heartbreak and at the same time will protect you if need be. They will love you fiercely as their own family. These stories talk about that bond and respect that we as humans share with them. 1. This e-book covers touching true stories of how stray dogs were given a home rather than euthanized. 2. This e-book also contains facts and figures about stray dogs in America. Whether or not you are a dog person, you surely will fall in love with these stories that will make you laugh, cry, cheer, and fall helplessly in love with these torch-bearers of warmth, love, and loyalty. Grab your copy now! ... A compilation of the most treasured Christmas stories from our favorite Chicken Soup for the Soul books. A collection of 3 gentle tales in which boys and girls learn some basic life values: belonging, simplicity, sharing, happy relationships between generations, and the adventure of growing up. Stories told from the point of view of a young girl growing up in Brisbane. Children experience Christmas through magic, anticipation, and learning about the baby Jesus. As we mature, we experience Christmas through the gifts we give, the love we share, and the magic we create for others. A Chicken Soup for the Soul Christmas brings back the memories of childhood through the eyes of children on Christmas day and inspires good deeds by reminding us how the smallest gesture can truly change a life. Speaker and author Karen O'Connor urges her post-fifty friends to "laugh and love all the way home to the Father's house." With humor and wisdom, Karen shares personal and gathered stories about the blessings of surviving and surpassing middle-age. Gettin' Old Ain't for Wimps overflows with candor and helps the boomin' baby boomer market celebrate with: funny stories of the antics and adventures of getting older "conversations with God" for a deeper prayer life hopeful words for the tough times For those who have already traded in their wimp status for a more courageous existence or those still wondering about the future, this delightful read affirms that the latter decades are filled with God's promises and joys. From the editors of Keepers at Home magazine. Stories to refresh the spirit and warm the heart. NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NEW YORK TIMES BESTSELLER • In this beautifully written masterwork, the Pulitzer Prize-winner and bestselling author of Caste chronicles one of the great untold stories of American history: the decades-long migration of black citizens who fled the South for northern and western cities, in search of a better life. From 1915 to 1970, this exodus of almost six million people changed the face of America. Wilkerson compares this epic migration to the migrations of other peoples in history. She interviewed more than a thousand people, and gained access to new data and official records, to write this definitive and vividly

dramatic account of how these American journeys unfolded, altering our cities, our country, and ourselves. With stunning historical detail, Wilkerson tells this story through the lives of three unique individuals: Ida Mae Gladney, who in 1937 left sharecropping and prejudice in Mississippi for Chicago, where she achieved quiet blue-collar success and, in old age, voted for Barack Obama when he ran for an Illinois Senate seat; sharp and quick-tempered George Starling, who in 1945 fled Florida for Harlem, where he endangered his job fighting for civil rights, saw his family fall, and finally found peace in God; and Robert Foster, who left Louisiana in 1953 to pursue a medical career, the personal physician to Ray Charles as part of a glitteringly successful medical career, which allowed him to purchase a grand home where he often threw exuberant parties. Wilkerson brilliantly captures their first treacherous and exhausting cross-country trips by car and train and their new lives in colonies that grew into ghettos, as well as how they changed these cities with southern food, faith, and culture and improved them with discipline, drive, and hard work. Both a riveting microcosm and a major assessment, *The Warmth of Other Suns* is a bold, remarkable, and riveting work, a superb account of an "unrecognized immigration" within our own land. Through the breadth of its narrative, the beauty of the writing, the depth of its research, and the fullness of the people and lives portrayed herein, this book is destined to become a classic. This is a selected short story collection from the works of David Pallavicini. The stories bounce back and forth between fiction and not-so fiction in various places around the world, from a street café in Rio, to a juke joint in Mississippi, a dinner table in San Francisco in the 60's, and even the coroner's office in Los Angeles - any place where sunshine can be found nearby. The book begins with "The Art of Andalusia;" the story of an artist who becomes lost in a clash of cultures, obsession, love and violence, and at the same time being smothered in the beauty and passion of Southern Spain. The collection also includes the controversial and gut wrenching, "Mary's Journey," which is based on the still current reality in Western Sudan, and where a driven young girl is determined to prevail. In this collection one can find beauty, love, romance, mystery, terror, violence, the taste of good cooking, and even humor. The second volume of the most loved and requested stories from the Christmas in My Heart series -- compiled by famed author, Joe Wheeler. Joe Wheeler is renowned for bringing the classic stories of Christmas to eager readers, and he continues this tradition with this newly handpicked collection, in an elegantly designed Christmas keepsake, *The Best of Christmas in My Heart, Volume 2*. These time-tested stories are sure to warm the heart of readers of all ages. This special volume also includes personal journaling pages that allow readers to preserve their holiday memories for years to come, so they can recall them with the same joy and happiness as when they first jotted them down. *The Best of Christmas in My Heart, Volume 2* is the perfect gift for family, friends, and loved ones, distilling

the peace, hope, and love of Christmas into timeless tales that will touch readers' hearts. This collection awakens wonderful nostalgia in anyone who has ever sat at the feet of a parent or grandparent and been swept up in Christmas stories of old. Now readers can relive that cheerful experience simply with this beautiful holiday treasure. *It's Okay To Cry* contains 24 warm, compassionate stories that help people find hope and healing after the death of a beloved pet. The book includes the story of Lassie by Robert Weatherwax, Sr. and the stories of PD, Sparkle and Bear by Jack Hanna. The book also contains a 42-page journal for people to write their own story and share their memories of their beloved pets. The book is a self-contained support group for people who are grieving over the death of a beloved pet. In this, his third book, John Foster now serves us a scrumptious smörgåsbord of stories to savour. *THE ILKHANI OF GILAN* is a gently humorous account of the author's student days and his first involvement with the sport of kings. *A STREETCAR TO ARGENTINA* is a heart-warming coming of age story whose protagonists are an ill-assorted couple. *THE AUTOGRAPH BOOK* is a love story spanning a lifetime, whilst the enigmatic *MAMMA MIA* is set in the surgical ward of a Sheffield hospital. On a more sinister note, *BAKED ALASKA* is a cautionary tale of ruthless and unbridled political ambition, and *FORGIVENESS*, based loosely on Greek myth, tells of a mother's craving for revenge. *THE ACE OF SPADES* is set in 1939 amongst the dying embers of the Spanish Civil War, whilst in *THE PRAYER* we witness a terrorist attack through the eyes of the young narrator. This third edition has a bonus 9th story, a companion story to *THE ILKHANI OG GILAN*. We all have been blessed with having a God given memory and in this volume I have opened up the stored memories of my youth. Some are tales that have been shared with me but most are simple stories about me and my family and are snippets from my life. There is humor and sadness contained in these stories some of which are very short and have a deeper meaning and application. It is my hope those who read will sense how special life and the memories held dear to our hearts will be a source of comfort and joy. Written simply in a folksy way, it is with great joy I share with all who will read. If you want to be remembered, this is how. Write your own story, recall your favorite memories in your own *Front Porch Stories On Warm Summer Nights* journal. This is an easy-to-read, easy-to-write-in 8 1/2" x 11" color, paperback journal with over 250 questions you can answer in your own time, at your own pace. It's your memoirgraphy. Write your own story. Share it with your children and family. Engage in family conversations: interview your parents, grandparents, any loved ones. Give to other family members. Maybe they live in another city, state, or country and you can't sit for an interview. Send them their own copies to complete themselves. Retirees: now that you have the time, share your stories with your children and grandchildren. Family reunions: have every member of the family complete their own stories and bring them to the reunions. What better way to reminisce? This

is your story. These are your memories. This is your legacy. A lonely snowman is upset after a rabbit steals his carrot nose, but then realizes that the friendship the rabbit offers more than compensates. Frederick is a demon. Born in Maryland in the early 1980's, he hasn't a clue where he came from or why, but feels an irresistible desire to occupy a human body. Once inside, he finds the previous occupants' consciousness and memories forever erased, an inevitable side effect that gives Frederick pause when switching bodies, but not so much as to truly halt his ongoing enjoyment of human lives. In various bodies, he travels the world for decades--aimless--sampling cultures and experiencing life from the points of view of males, females, young, old, rich, poor. Now, Frederick has an urge to return to his roots in America, explore the mystery of his origin, find someone to love, and settle down for a while. In his hometown, his mission bears fruit much faster than he expected, as person after person presents themselves, and following his impulses, he is lead directly to love, tragedy, answers, and the humanity he never knew he wanted.

A 6-week Bible study for small groups using the Wesley Study Bible. An upbeat exploration of how animals stay warm in cold weather From the ancient biblical story to those modern holiday favorites we watch on television every year, for those who seek meaning in the chaos of Christmas, Yuletide Blessings gathers truths, myths, and legends that point readers back to "the reason for the season." A perfect companion for quiet nights by the colorfully lit tree, this cozy book of brief essays is topically arranged by author Nan Corbitt Allen. The biblical roots of Christmas are explored in separate entries about angels, shepherds, Mary and Joseph, the wise men, and the little town of Bethlehem. Next, we learn stories behind characters and traditions that followed: the little drummer boy, decorations, St. Nicholas, and more. The unique origins of select Christmas carols are also revealed, inspiring accounts of Christmas during wartime testify to the wonder of peace, and we get the inside scoop on how A Charlie Brown Christmas and It's a Wonderful Life came to be such staples of the season. After enjoying these recollections, you are invited to stay mindful of personal yuletide blessings by writing your own favorite Christmas memories at the end of the book.
